BankUnited To Open New Tampa, Florida Office to Support the Bank's Growth in the Region

September 4, 2025

MIAMI LAKES, Fla.--(BUSINESS WIRE)--Sep. 4, 2025-- BankUnited Inc. (NYSE: BKU) has announced it will open a new corporate office in Tampa, Florida, to fortify the bank's corporate and commercial banking services and CRE lending growth in the region. The new, larger office, which will open in the first quarter of 2026, will replace BankUnited's current Tampa corporate office in Westshore. It represents an expanded investment in the Tampa Bay region.

"The Tampa region is a significant growth area across multiple business segments," said Thomas M. Cornish, BankUnited chief operating officer. "This move builds on our recent announcements of new corporate banking offices in Charlotte, North Carolina, and Morristown, New Jersey, and adds to the momentum of our growth in regions including Atlanta and Dallas."

The Tampa area has a strong economy and presents exceptional business opportunities. In June of this year, Financial Times ranked Tampa number one among U.S. cities for international business, based on the region's economic diversity, exceptional workforce, business climate and quality of life, among other factors.

The new 5,449-square-foot office suite is located at Park Tower, 400 N. Tampa Street in Tampa.
