PROPOSALS TO BE VOTED ON BY BANKUNITED, INC. SHAREHOLDERS

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Directors Elected Annually

Our Board of Directors is currently comprised of nine members. The size of the Board of Directors may be fixed from time to time exclusively by our Board of Directors as provided in our Certificate of Incorporation. BankUnited, Inc.'s directors are elected each year by the shareholders at the Company's annual meeting of shareholders. We do not have a staggered or classified board.

Nine director nominees are standing for election at this year's Annual Meeting. All nominees currently serve as directors on our Board of Directors. Each elected director's term will last until the 2023 annual meeting of shareholders and until such director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal.

Directors of BankUnited, Inc. have historically also served as directors of its wholly-owned subsidiary BankUnited, N.A. (the "Bank").

Each director will be elected by a majority of the votes cast, either in person or by properly authorized proxy, in the election of directors at the Annual Meeting.

Under our Amended and Restated By-Laws, at any meeting of the shareholders at which directors are to be elected and a quorum is present, each director nominee receiving a majority of the votes cast at the meeting will be elected as a director. A majority of votes cast means that the number of shares voted "for" a director's election exceeds 50% of the number of votes cast with respect to that director's election.

If a nominee for director who is an incumbent director is not elected and no successor has been elected at the meeting, then the director will be required under our Amended and Restated By-Laws to promptly tender his or her resignation as a director. Our Nominating and Corporate Governance Committee would then make a recommendation to the full Board as to whether to accept or reject the resignation.

If the resignation is not accepted by the Board, then the director will continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier death, resignation or removal.

If the director's resignation is accepted by the Board, then the Board may fill the vacancy.

However, if the number of nominees exceeds the number of positions available for the election of directors, then the directors will be elected by the vote of a plurality of the votes cast at any meeting of the shareholders at which directors are to be elected and a quorum is present.

Board Nominations

Board candidates are selected based on various criteria including their character and reputation, relevant business experience and acumen and relevant educational background. We value diversity of background, perspective, viewpoint and experience, including gender and ethnicity, among our Board members. The Nominating and Corporate Governance Committee and Board of Directors review these factors in considering candidates for Board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings and the Company's annual meetings of shareholders.

Qualifications

In considering candidates for the Board of Directors, the Nominating and Corporate Governance Committee takes into consideration the Company's Corporate Governance Guidelines and all other factors deemed appropriate by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee's determination is made based primarily on the following criteria: (i) a candidate's special skills, expertise and background that would enhance or complement the mix of the existing directors, (ii) a candidate's reputation and prominence in his or her business, professional activities or community, including a well-known reputation for addressing important issues that the Company may face, (iii) a candidate's commitment to high ethical business standards and integrity, (iv) a candidate's time commitment and willingness to fully participate in the Board's affairs and perform his or her duties to the highest standards and (v) a candidate's contribution to the diversity of background, viewpoint, perspective and experience of the Board as a whole. OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF THE FOREGOING NINE NOMINEES TO THE BOARD OF DIRECTORS.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Role of Board of Directors

The Company's business and affairs are managed under the direction of the Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved to the Company's shareholders. The Board of Directors' mission is to maximize long-term shareholder value. The Board of Directors establishes the Company's overall corporate policies, evaluates the Company's Chief Executive Officer ("CEO") and the senior leadership team and acts as an advisor and counselor to senior management. The Board of Directors also oversees the Company's business strategy, planning and risk management framework, as well as the performance of management in executing the Company's business strategy, assessing and managing risks and managing the Company's day-to-day operations.

Director Independence

Under the NYSE listing standards, in order to consider a director independent, the Board of Directors must affirmatively determine that he or she has no material relationship with the Company. The standards specify the criteria for determining whether directors are independent and contain guidelines for directors and their immediate family members with respect to employment or affiliation with the Company or its independent registered public accounting firm. The Board of Directors also has adopted independence standards to assist it in making independence determinations. The Company's Director Independence Standards contain the formal director qualification and independence standards adopted by the Board of Directors, and are available as part of the Company's Corporate Governance Guidelines on the Company's website at <https://ir.bankunited.com>.

The Board of Directors determines annually whether a director is independent at the time the Board of Directors approves director nominations for inclusion in the Company's proxy statement and when a director joins the Board of Directors between annual meetings. Although the determination of whether a director is independent relies on the Board's subjective assessment of all of the relevant facts and circumstances, the Company's Director Independence Standards provide that a director will not qualify as independent if:

- within the last three years, (i) the director has been an employee of the Company or an immediate family member of the director has been an executive officer of the Company; (ii) the director or an immediate family member of the director has received, during any twelve-month period, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other deferred compensation for prior service (provided that such compensation is not contingent in any way on continued service) and compensation received by a family member for service as a non-executive employee of the Company; (iii) the director or an immediate family member of the director was a partner or employee of the Company's independent registered public accounting firm and personally worked on the Company's audit within that time; or (iv) the director or an immediate family member of the director has been employed as an executive officer of a company in which a present executive officer of the Company at the same time served on the compensation committee of that company's board of directors;
- the director is a current partner or employee of the Company's independent registered public accounting firm or an immediate family member of the director is a current partner of such firm or a current employee of such firm who personally works on the Company's audit; or
- the director or an immediate family member of the director is a current executive officer of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such company's consolidated gross revenue.

The Board undertook its annual review of director independence in April 2022. As a result of this review, the Board affirmatively determined that all of the directors and nominees are independent of the Company and its management under the corporate governance standards of the NYSE, with the exception of Rajinder P. Singh. Mr. Singh is our Chairman, President and Chief Executive Officer. In making the determination that Mr. Rubenstein is independent of the Company and its management, the Board of Directors considered that Mr. Rubenstein is a retired partner of the law firm Skadden, Arps, Slate, Meagher and Flom, LLP, which was former general counsel of the Company, and currently provides and may in the future provide certain legal services to us and our affiliates, for which it received, or may receive, customary compensation, fees and expense reimbursement. Mr. Rubenstein retired from the firm in 2014.

Board and Board Committee Performance Evaluations

Each year, the Nominating and Corporate Governance Committee leads the Board through self-evaluation. Through this evaluation process, the directors assess performance, identify areas for improvement and provide feedback.

- Responses are reviewed by the Chair of the Nominating and Corporate Governance Committee;
- The Chair of the Nominating and Corporate Governance Committee leads a discussion of the results with the full Board at the next Board meeting;
- As a result of director feedback, management has updated content and formats of some materials provided to the Board.

Committee Annual Self-Evaluations:

- Each director completes an open-ended questionnaire for each committee on which he or she serves with key topics such as Committee Charter, structure, composition and effectiveness;
- Responses are reviewed by each Committee Chair;
- Committee Chair leads a discussion of the results with the full Board at the next Board meeting.

Director Education

Our Board believes that director education is essential to the ability of our directors to provide oversight and fulfill their roles. The Nominating and Corporate Governance Committee provides directors with information regarding external director development and training programs and encourages director participation in such programs. Continuing director education is provided during Board meetings by both internal and external subject matter experts and our directors also attend conferences and round tables hosted by our primary banking regulators. Some of the topics on which our Board receives regular education include regulatory compliance, BSA/AML and cybersecurity.

Each director attended 75% or more of the meetings of the Board of Directors and Board committees on which they served during 2021. Directors are expected to attend all meetings of shareholders. None of our executive officers serves or has served as a member of the board of directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Risk Governance Documents

The Company's **Risk Appetite Statement**, which is reviewed and approved by the Risk Committee, sets forth guidelines for the aggregate levels of acceptable risk across multiple dimensions and forms the basis of the Company's enterprise risk management framework. It further defines the boundaries for the type and amount of risk that may be undertaken by the Company in pursuing business objectives and initiatives.

The Company's **Risk Management Framework** establishes enterprise-wide governance and risk management requirements for monitoring nine categories of risk: strategic risk, credit risk, interest rate risk, liquidity risk, operational risk, compliance risk, BSA/AML risk, reputation risk and price risk.

Risk Management and Oversight

Our Board of Directors oversees our risk management framework, including the company-wide approach to risk management, carried out by our management. Our full Board of Directors determines the appropriate levels of risk for the Company generally, assesses the specific risks faced by us and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for risk management, its committees oversee risk in certain specified areas.

In particular, the Risk Committee plays a key role in the Board of Directors' exercise of its risk oversight function. The Risk Committee assists the Board in overseeing the Company's enterprise-wide risk management framework, including the risk appetite statement, risk tolerances and limits, and risk management infrastructure. The Risk Committee oversees the risk assessment process to assist the Board and management in identifying emerging risks that could potentially impact the Company's strategic objectives and business plan and provides oversight of certain elements of ESG related risk. The Risk Committee reviews regular reporting related to credit, interest rate, liquidity, operational, BSA/AML and compliance risk.

The Audit Committee also has a significant role in the Board of Directors' exercise of its risk oversight responsibilities. The Audit Committee is primarily responsible for overseeing matters involving the Company's financial reporting risks and the guidelines, policies and processes for managing such risks, including internal controls over financial reporting. The Audit Committee conducts its risk oversight in a variety of ways, including reviewing management's assessment of the Company's internal control over financial reporting, and reviewing and approving the Company's significant accounting policies. Additionally, the Company's independent registered public accounting firm regularly discusses risks and related mitigation measures that may come to their attention during its regular reviews and audits of the Company's financial statements with the Audit Committee. To ensure candid and complete reporting, the Audit Committee regularly meets in separate executive sessions with management, the head of the Company's internal audit department and the Company's independent registered public accounting firm.

The Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and practices, as well as the incentives created by the compensation awards it administers. The Compensation Committee reviews our incentive plans to ensure that they appropriately balance risk and reward and do not encourage inappropriate risks, which could impact our financial position and reputation.

The Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of our Board.

The Board of Directors has delegated certain risk management functions to specific management level committees. The primary role of these committees is to oversee the operational implementation of our business strategies and objectives and ensure alignment with the Board's stated risk appetite.

Pursuant to our Board's instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board and its committees.

Business Continuity

The Company has a Business Continuity Management ("BCM") Policy governing the oversight and implementation of the Company's resilience, continuity and response capabilities during business interruptions impacting our operations, systems, services or employees. The Policy is supported by the BCM Program. The BCM program incorporates four interconnected components - business continuity, crisis management, IT recovery and resilience testing. These components are designed to identify, manage and adequately respond to the impact of potential events that could disrupt our operations and systems or adversely affect the well-being of our employees. The foundation of the business continuity risk management framework includes risk assessment and business impact analysis. The BCM department also assesses the resilience of our significant third party service providers, including assessing the ability to respond to service disruptions or degradations resulting from natural disasters or cyber-security incidents.

Compliance

Compliance risk is the risk to current or projected financial condition and resilience arising from violations of laws or regulations, or from nonconformance with prescribed practices, internal policies and procedures, or ethical standards. The Company has a dedicated compliance function, headed by the Chief Compliance Officer, that promotes a disciplined risk culture and monitors and facilitates compliance with

applicable laws and regulations, as well as regulatory expectations articulated in formal guidance by the banking regulators. The Company's compliance management program includes risk-based testing and monitoring programs, issue identification and reporting, and regulatory change management. Quarterly updates on the compliance program are provided to the Board Risk Committee. The compliance department develops and delivers a comprehensive bank-wide employee training program tailored to job functions, focused on applicable laws and regulations including consumer protection, fair lending, and the Community Reinvestment Act.

Bank Secrecy Act (“BSA”) /Anti-Money Laundering (“AML”) /Office of Foreign Assets Control (“OFAC”)

The Company has established and maintains an enterprise-wide BSA/AML/OFAC Policy and Program to ensure that we are in compliance with applicable laws, rules and regulations related to money laundering and terrorist financing activities, sanctions programs and rules administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control. The Bank has designated a BSA/OFAC Officer responsible for coordinating and monitoring day-to-day compliance with the BSA/AML/OFAC Policy and Program and applicable laws, rules and regulations. As part of the program, the Financial Crimes Compliance Committee provides cross-business line executive level oversight of the Bank's compliance with the BSA/AML/OFAC Policy and Program and is chaired by the BSA/OFAC Officer.

Shareholder Engagement

We engage with our shareholders throughout the year, not just during proxy season. We regularly have discussions with shareholders, potential shareholders, rating agencies and investment analysts. Our executive management team participates in investor conferences and other industry conferences. The Board reviews shareholder feedback, which helps shape our policies and practices.

The Board recognizes the value of developing and maintaining strong relationships with our investors and understanding their perspectives. In the fall of 2021, we reached out to shareholders representing approximately 49% of our outstanding shares. One of our primary objectives for these calls was to solicit shareholder perspectives on ESG matters. Mr. Pauls, our Lead Independent Director, participated with management in these meetings with shareholders and subsequently reviewed the content of shareholder discussions with the Board. The majority of shareholders we contacted declined the opportunity to meet with us directly, indicating there were no matters of concern they believed needed to be discussed. Those shareholders we met with provided feedback on the types of ESG related disclosures they generally find valuable and informative. Management and the Board will consider this feedback in designing future ESG related disclosures.

Board Leadership Structure

The Board of Directors is responsible for overseeing the exercise of corporate power and seeing that our business and affairs are managed to meet our stated goals and objectives and that the long-term interests of our shareholders are served. The Board of Directors regularly reviews and assesses the effectiveness of the Company's leadership structure in the context of the Company's specific circumstances, culture, strategic objectives and challenges.

The Board of Directors does not have a fixed policy regarding the separation of the offices of Chairman and CEO because it believes that it should maintain flexibility to select the Chairman and determine the Board leadership structure, from time to time, based on criteria that it deems to be in the best interests of the Company and its shareholders.

Our current board leadership structure provides for a combined role of the Chairman of the Board and CEO, along with a Lead Independent Director and the independence of all other directors. The independent directors believe that Mr. Singh's knowledge and background with the Company, his deep industry experience and his demonstrated leadership capability benefits our shareholders and employees and that a combined role of Chairman and CEO will best allow us to execute our strategic initiatives and business plan at this time.

Lead Independent Director

The Board of Directors has appointed Mr. Pauls to serve as our Lead Independent Director. Mr. Pauls brings extensive banking and risk management experience to our Board, is an independent voice on important issues facing the Company and ensures that those issues are fully considered by the Board of Directors.

Primary Responsibilities: In his role as Lead Independent Director, Mr. Pauls' duties include, but are not limited to:

- Presiding over regularly scheduled executive sessions with the non-management directors;
- Serving as a liaison between the Board and senior management;
- Assisting the Board of Directors, our Nominating and Corporate Governance Committee and executive management to ensure compliance with the Company's Corporate Governance Guidelines;
- Assisting the Nominating and Corporate Governance Committee and the CEO in the identification and evaluation of director candidates';
- Participating with management in shareholder engagement meetings and sharing feedback with the full Board (see "Shareholder Engagement" on page 18 for information on our shareholder engagement program);
- Communicating, as appropriate, with our primary bank regulators.

Our Corporate Governance Guidelines provide for additional independent oversight of our operations, risks, business strategy and compensation practices. Consistent with our Corporate Governance Guidelines, the Board of Directors currently consists of independent directors, except for Mr. Singh. Each of the Audit Committee, Risk Committee, Compensation Committee and Nominating and Corporate Governance Committee is composed solely of independent directors. Independent directors, therefore, oversee essential, risk-sensitive matters such as the quality and integrity of our financial statements; the compensation of our named executive officers, including the CEO; the nomination of directors; and the evaluation of the Board, its committees, and its members.

Our Corporate Governance Guidelines also require that the non-management directors meet regularly in executive session without the presence of management, which provides an opportunity for the independent directors to freely express their views on important issues.

Through the Company's overall governance structure described above, the Board of Directors believes it has effectively balanced the need for strategic leadership by the Company's Chairman and CEO with the oversight and objectivity of the independent directors and has created an effective and appropriate leadership structure that is conducive to the risk oversight process. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate and in the best interests of the Company. Accordingly, the Board of Directors has the discretion to modify the Company's leadership structure if it believes doing so would be in the best interests of the Company.

Executive Sessions

The rules of the NYSE require the non-management directors of the Company to regularly meet in executive session without management. In 2021, non-management directors of the Company met in executive session four times. The Company's Corporate Governance Guidelines state that a non-management independent director shall be chosen to preside at each executive session. Mr. Pauls currently serves as the Presiding Director. For information regarding how to communicate with non-management directors as a group and one or more individual members of the Board, including the Presiding Director, see "Communications with the Board of Directors" below.

CEO and Senior Management Succession Planning

Our Nominating and Corporate Governance Committee has responsibility for succession planning with respect to the Company's CEO, as well as oversight of succession planning for other executive management positions. The Nominating and Corporate Governance Committee annually reviews succession plans for the CEO, and considers emergency, interim scenarios as well as long-term scenarios. The Nominating and Corporate Governance Committee further works with our CEO to review succession planning for other executive management positions, including his evaluations of executive officers and development plans for executives. The Chair of the Nominating and Corporate Governance Committee leads a discussion with the full Board following the annual succession planning session.

Communications with the Board of Directors

Any interested parties desiring to communicate with the Board of Directors or any of the independent directors regarding the Company may directly contact such directors by delivering such correspondence to such directors (or the entire Board) in care of the Company's Corporate Secretary at BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016.

The Audit Committee of the Board of Directors has established procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls and auditing matters and the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. Persons wishing to communicate with the Audit Committee may do so by writing in care of the Chairman, Audit Committee, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016.

Corporate Governance Guidelines, Code of Conduct and Code of Ethics

Our Board has adopted Corporate Governance Guidelines, which set forth a flexible framework within which our Board, assisted by Board committees, directs the affairs of the Company. The Corporate Governance Guidelines address, among other things, the composition and functions of the Board, director independence, compensation of directors, management succession and review, Board committees and selection of new directors.

We also have a Code of Conduct, which is applicable to all directors, officers, employees, agents (including consultants and contractors) and temporary personnel of the Company. We have a separate Code of Ethics for Principal Executive and Senior Financial Officers, which contains provisions specifically applicable to our principal executive officer, principal financial officer, principal accounting officer and controller (or persons performing similar functions).

We have an Ethics Committee, formed to oversee and help define a culture of ethical responsibility. The ethics committee reports periodically to the Audit Committee of the Board. The Company also has a 24 hour ethics hotline which can be used to report suspected violations of the Code of Conduct, accounting, audit or internal accounting control matters. The Company encourages any employee to report such conduct openly, if desired, or anonymously, without fear of retaliation.

The Corporate Governance Guidelines, the Code of Conduct and the Code of Ethics for Principal Executive and Senior Financial Officers are available on our website at <https://ir.bankunited.com>. We expect that any amendments to these codes, or any waivers of their requirements, will be disclosed on our website.

Environmental, Social and Governance ("ESG") Practices and Oversight

The Board of Directors oversees ESG matters and has delegated primary responsibility for oversight of those matters, including human capital and diversity, to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee periodically reports to the full Board on material ESG matters. Our Risk Committee also has oversight for certain ESG related risks. In addition to its oversight of information security and cybersecurity, the Risk Committee, as part of the Company's enterprise-wide risk management framework is responsible for oversight of the identification and mitigation of climate related risks such as those related to credit underwriting. The Compensation Committee may also be involved with oversight of certain human capital matters.

Environmental Sustainability Strategy

We are monitoring the evolution of regulatory developments and industry practice with a view toward developing a more comprehensive framework for assessing, monitoring and managing the impact or potential impact of climate risk on our business. BCM actively monitors climate related events that may impact the Company's locations or operations including hurricanes, winter storms, flooding and fire. Given our presence in Florida, during hurricane season BCM continuously monitors and tracks storm activity and forecasted paths. The Company has a comprehensive Hurricane Response Plan that outlines measures to be taken before, during and after a storm strikes, including evacuation, safeguarding real estate assets, activation of a command center, the relocation of staff responsible for critical business processes and post storm impact assessment. This plan has been tested under both simulated and actual conditions. BCM also assesses the resilience of our significant third party service providers with respect to their ability to respond to service disruptions or degradations resulting from climate related events.

Our securities portfolio currently contains approximately \$169 million in bonds designated by the issuer as green, social, or sustainability bonds. Our strategic business plan contemplates seeking opportunities to provide financing that promotes sustainable and environmentally friendly practices. We look to increase our client base and capture value from financing renewable energy and other climate positive projects and to finance energy efficient or LEED certified properties.

Information Security and Cybersecurity

The Company has a formal information security program and charter, designed to insure that its information assets are protected in a manner that reduces the risk of unauthorized information disclosure, modification or destruction, whether accidental or intentional. The information security program applies to all employees, contractors and third party service providers, establishes standards and practices for the secure use and management of the Company's data, information and information systems and is consistent with applicable regulatory guidelines and principles. The program requires the identification and assessment of and appropriate response to vulnerabilities and threats that could adversely impact the Company's information and/or data assets.

Our information security organization is led by our Chief Information Security Officer ("CISO"), who has primary responsibility for establishing, maintaining and overseeing the enterprise-wide information security program. The CISO reports administratively to our Chief Information Officer, who reports directly to our CEO. The CISO also has a direct line of reporting to the Risk Committee of the Board. While our information security organization has primary responsibility for the monitoring, detection and containment of internal and external security threats, information security is a shared responsibility. Platform owners and information owners also play critical roles in our information security infrastructure.

The Operational Risk Management Committee oversees information security risk management. The Risk Committee of the Board has board level responsibility for risk oversight related to information security and cybersecurity, for overseeing management's approach to effectively addressing these risks and for reviewing the Information Security Program at least annually. The Risk Committee, and as appropriate the full Board, receive regular reporting from the CISO.

Our information security department evaluates the information technology and security programs of significant third party service providers. These reviews typically leverage current SOC 1 or SOC 2 reports that evaluate the design and operational effectiveness of information technology and security related controls. In addition, the third party's information technology and security policies and procedures are evaluated to form an overall opinion of the third party service provider's technology and information security posture. Our BCM

department assesses the resilience, incident reporting and management capabilities of our significant third party service providers with respect to service disruptions or degradations resulting from information security incidents.

We provide regular cybersecurity training and education to our employees with a goal of educating them on how to detect potential threats and on their responsibilities to help protect the confidentiality, availability and integrity of the Company's information assets, thereby creating a security aware culture. Engaging our employees with security awareness throughout the year, focusing on behavior at both the office and remote work locations, helps to maintain a high level of security awareness. Our cybersecurity training program consists of new-hire training, monthly newsletters, security tips and videos, regular simulated phishing campaigns directed at all of our employees, a "repeat clicker" program required for employees who click on phishing emails after receiving required training, an annual cybersecurity awareness month, a recognition program, gamification exercises and required annual compliance training for all employees. Our board members also participate in cybersecurity training presented by both internal and external subject matter experts, including presentations and reporting related to emerging cybersecurity and information security matters, and updates on technology, regulatory and legal developments.

Employees are encouraged to participate in interactive events, community forums, affinity groups, an enterprise-wide mentorship program and multiple volunteer opportunities. We offer diversity and inclusion training to all of our employees and employees are given paid time to participate in volunteer opportunities in their communities and the communities we serve.

We launched WomenEmpowered@BankUnited ("WE"), a community for women at BankUnited. In 2021, WE held two interactive events for all women at the Bank, including our female directors, and created eight affinity groups.

Communication and Engagement

We strongly believe that communication is a key factor in employee engagement, and that engaged employees benefit fellow employees, our customers, our communities and our shareholders. One way we engage with our employees is through surveys. We encourage managers to meet with their employees regularly and maintain an open door policy. Regular CEO update video calls and town hall meetings and our iCARE™ program are other tools we use to foster employee engagement.

In December, 2021 we paid a special bonus of \$5,000 to substantially all of our employees, in recognition of their hard work and efforts in the challenging environment we have faced over the past two years. Employees, regardless of their position in the organization, shared equally in the bonus payout.

Director Compensation

We use a combination of cash and stock-based incentive compensation to attract and retain independent, qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties, as well as the skill level we require of members of our Board. Directors who are also our employees do not receive any compensation from us for any period of service on our Board or Board committees that is concurrent with service as an employee.

Directors do not receive fees for attending Board or committee meetings. Non-employee directors are reimbursed for reasonable expenses incurred in connection with Board-related activities.

2021 Director Compensation

Our Compensation Committee periodically reviews and recommends updates to the director compensation program for our Board approval. No changes were made to the form or amount of director compensation for 2021.

Cash-Based Compensation

For service in 2021, each non-employee director was eligible to receive an annual cash retainer of \$70,000 for his or her service on our Board. retainer of \$25,000. The Chairs of the Compensation Committee and the Nominating and Corporate Governance Committee each receives an annual retainer of \$25,000. Cash retainers are paid in installments.

Stock retention requirements and non-hedging policy for our non-management directors

- Under our stock retention requirements, directors are not permitted to sell shares of the Company's stock other than to cover taxes related to the vesting of equity awards if, after giving effect to such sale, his or her respective retained equity (including vested and unvested equity) has a value that is less than five times the current annual retainer of \$70,000. All non-management directors except for Mr. DiGiacomo are in compliance with this stipulated retention level. Mr. DiGiacomo holds less than this stipulated retention level solely as a result of a sale of shares to cover the tax liability related to the vesting of equity awards, which is permissible under our retention policy.
- The Company's Insider Trading Policy prohibits directors and executive officers of the Company from engaging in short sales of the Company's securities and from engaging in hedging transactions such as (but not limited to) zero-cost collars, equity swaps, and forward sale contracts in the Company's securities. The policy also prohibits pledging of the Company's securities as collateral for a loan and from holding securities in a margin account. See page 50 for additional information about our prohibitions on hedging and pledging of Company Securities.

Director Nominating Process and Diversity

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of shareholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for Board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including shareholders, as it deems appropriate.

The Nominating and Corporate Governance Committee and the Board of Directors believe that diversity along multiple dimensions, including opinions, skills, perspectives, personal and professional experiences and other differentiating characteristics, is an important element of nomination for Board membership. At present, our Board of Directors is 33% diverse by gender (female) and 44% diverse by ethnicity/nationality. The Nominating and Corporate Governance Committee has not identified any specific minimum qualifications that must be met for a person to be considered as a candidate for director. However, Board candidates are selected based on various criteria including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board of Directors. Although the Board of Directors does not have a formal diversity policy, the Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings and the Company's annual meetings of shareholders.

Candidates Nominated by Shareholders

The Nominating and Corporate Governance Committee will also consider nominees recommended by shareholders. Our Corporate Governance Guidelines provide that nominees recommended by shareholders should be given appropriate consideration in the same manner as other nominees. Pursuant to the Company's Amended and Restated By-Laws, shareholders who wish to nominate a candidate for consideration by the Nominating and Corporate Governance Committee for election at the 2023 annual meeting may do so by delivering written notice, no earlier than January 18, 2023 and no later than February 17, 2023, of such nominees' names to BankUnited,

Inc., 14817 Oak Lane Miami Lakes, FL 33016, Attention: Corporate Secretary. Any shareholder of record or beneficial owner of common stock on whose behalf a nomination is being proposed must (i) be a shareholder of record or beneficial owner on the date of the giving of such notice, on the record date for the determination of shareholders entitled to notice of and to vote at the 2023 annual meeting of shareholders and at the time of the 2023 annual meeting of shareholders and (ii) comply with the applicable notice procedures set forth in the Company's Amended and Restated By-Laws.

The Company's Amended and Restated By-Laws require that certain information must be included in the notice provided to the Company's Corporate Secretary regarding the nomination and the shareholder giving the notice, the beneficial owner on whose behalf the notice is made, if any, and any affiliate or associate of the shareholder or the beneficial owner (collectively, the "Nominating Person"). The information required to be set forth in such notice includes (i) the name and address of the Nominating Person, (ii) information regarding the common stock owned, directly or indirectly, beneficially or of record by the Nominating Person, (iii) whether and the extent to which any derivative or other instrument, transaction, agreement or arrangement has been entered into by or on behalf of the Nominating Person with respect to the common stock and certain additional information relating to any such instrument, transaction, agreement or arrangement as described in the Company's Amended and Restated By-Laws, (iv) any other information relating to the Nominating Person that would be required to be disclosed in a proxy statement or other filings made with the SEC in connection with the solicitation of proxies with respect to such business and (v) a description of all arrangements or understandings (including any anticipated benefits to the Nominating Person as a result of the nomination) between or among the Nominating Person and the candidate and any other person in connection with the proposed nomination. The notice must also include a representation that the shareholder giving the notice intends to appear in person or by proxy at the 2023 annual meeting to nominate the person named in the notice.

The Company's Amended and Restated By-Laws also require that the notice provide certain information regarding the candidate whom the Nominating Person proposes to nominate as a director, including (i) certain biographical information, such as name, age, business and residential address and principal occupation, (ii) the information that would be required to be provided if the candidate were a Nominating Person, (iii) a resume or other written statement of the qualifications of the candidate and (iv) all other information regarding the candidate, including the written consent of the candidate indicating that the candidate is willing to be named in the proxy statement as a nominee and serve as a director if elected, that would be required to be disclosed in a proxy statement or other filings made with the SEC in connection with the solicitation of proxies for director elections.

For a complete description of the procedures and disclosure requirements to be complied with by shareholders in connection with submitting director nominations, shareholders should refer to the Company's Amended and Restated By-Laws.

No candidates for director nominations were submitted by any shareholder in connection with the 2022 Annual Meeting.

Outside Advisors

Our Board of Directors and each of its committees may retain outside advisors and consultants of their choosing at our expense. The Board of Directors need not obtain management's consent to retain outside advisors.

Review and Approval of Transactions with Related Persons

Transactions by us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve's Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal shareholders). We have adopted policies to comply with these regulatory requirements and restrictions.

Our Board of Directors has also adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and the NYSE concerning related party transactions. Related party transactions are transactions in which our Company is a participant, the amount involved exceeds \$120,000 and a related party has or will have a direct or indirect material interest. Related parties of our Company include directors (including nominees for election as directors), executive officers, greater than 5% shareholders of our Company and the immediate family members of these persons. Our general counsel, in consultation with management and outside counsel, as appropriate, will review potential related party transactions to determine if they are subject to our Related Party Transactions Policy. If so, the transaction will be referred for approval or ratification to the Nominating and Corporate Governance Committee. In determining whether to approve a related party transaction, the Nominating and Corporate Governance Committee will consider, among other factors, the fairness of the proposed transaction; the direct or indirect nature of the director's, executive officer's or related party's interest in the transaction; the appearance of an improper conflict of interest for any director or executive officer of the Company, taking into account the size of the transaction and the financial position of the director, executive officer or related party; whether the transaction would impair an outside director's independence; the acceptability of the transaction to the Company's regulators; and the potential violations of other Company policies. Additionally, all related party transactions are reviewed by the Audit Committee. Our Related Party Transactions Policy is available on our website at <https://ir.bankunited.com>, as Annex B to our Corporate Governance Guidelines.

The Company had no reportable related party transactions as defined in the applicable policy for 2021 or to date in 2022. There are no currently proposed related party transactions that would be reportable under the applicable policy.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal

The Audit Committee has appointed Deloitte & Touche LLP to serve as BankUnited, Inc.'s independent registered public accounting firm for its fiscal year ending December 31, 2022. The Audit Committee and the Board of Directors seek to have the shareholders ratify the Audit Committee's appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022. Although BankUnited, Inc. is not required to seek shareholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment of Deloitte & Touche LLP is not ratified by the shareholders, the Audit Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of Deloitte & Touche LLP.

Representatives of Deloitte & Touche LLP will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

Change of Independent Registered Public Accounting Firm

On March 3, 2021, we, following a competitive proposal process at the direction of our Audit Committee, dismissed KPMG LLP as our independent registered public accounting firm, effective immediately. The decision to change independent registered public accounting firms was approved by the Audit Committee.

KPMG's reports on the Company's consolidated financial statements as of and for the years ended December 31, 2020 and 2019 did not contain any adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that the report as of and for the years ended December 31, 2020 and 2019 contained a paragraph stating that "As discussed in Note 1 to the consolidated financial statements, the Company has changed its method of accounting for the recognition and measurement of credit losses as of January 1, 2020 due to the adoption of Accounting Standards Codification Topic 326 *Financial Instruments - Credit Losses*".

During the two fiscal years ended December 31, 2020 and 2019, and the subsequent interim period through March 3, 2021, there were no (i) disagreements, within the meaning of Item 304(a)(1)(iv) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended ("Regulation S-K"), and the related instructions thereto, with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused KPMG to make reference to the subject matter of the disagreements in connection with its reports; or (ii) reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto.

We provided KPMG LLP with a copy of the foregoing disclosures and requested KPMG LLP to furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made by us set forth above and, if not, stating the respects in which it does not agree. KPMG's letter, dated March 5, 2021, was filed as Exhibit 16.1 to our Current Report on Form 8-K, filed with the SEC on March 5, 2021. Representatives from KPMG LLP are not expected to be present at the Annual Meeting.

On March 3, 2021, the Audit Committee approved the appointment of Deloitte & Touche LLP ("Deloitte") as the Company's new independent registered public accounting firm for the fiscal year ending December 31, 2021 effective immediately. During the fiscal year ended December 31, 2020, and the subsequent interim period through

March 3, 2021, neither we nor anyone acting on our behalf consulted with Deloitte & Touche LLP regarding any of the matters described in Items 304(a)(2)(i) and (ii) of Regulation S-K.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" RATIFICATION OF
THE REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM FOR 2022.**

Report of the Audit Committee

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee consists of three directors who have been determined by the Board of Directors to be independent of the Company as prescribed by the NYSE and the SEC. Our Board has further determined that all Committee members are financially literate in accordance with NYSE listing standards and further qualify as "audit committee financial experts" as defined by the SEC. The Company's management has the primary responsibility for the financial statements and for the financial reporting process, including the establishment and maintenance of the system of internal control over financial reporting. Deloitte & Touche LLP, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2021, was responsible for auditing the financial statements prepared by management, expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles and auditing the Company's internal control over financial reporting and expressing an opinion on the effectiveness thereof. In this context, the Audit Committee has reviewed the audited financial statements and met and held discussions with management and Deloitte & Touche LLP regarding the fair and complete presentation of those financial statements and the assessment of the Company's internal control over financial reporting.

The Audit Committee has discussed with Deloitte & Touche LLP matters required to be discussed by Auditing Standard No. 1301, as adopted by the Public Company Accounting Oversight Board (the "PCAOB") and has reviewed and discussed Deloitte & Touche LLP's independence from the Company and its management. As part of that review, the Audit Committee has received the required written disclosures and correspondence required by applicable requirements of the PCAOB regarding Deloitte & Touche LLP's communications with the Audit Committee concerning independence. The Audit Committee has concluded that Deloitte & Touche LLP is independent from the Company and its management.

The Audit Committee meets with the Chief Financial Officer in regular sessions and has met with representatives of Deloitte & Touche LLP, in regular and executive sessions, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee has recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, for filing with the SEC.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged. The Audit Committee pre-approved, or approved before the engagement of the independent auditor, all of the audit and audit-related services provided to the Company by Deloitte & Touche LLP in fiscal year 2021 and by KPMG LLP in fiscal year 2020.

Book value per common share grew to \$35.47 at December 31, 2021 from \$32.05 at December 31, 2020 and the Company's and the Bank's capital ratios continued to exceed all regulatory "well-capitalized" guidelines. We repurchased approximately \$318 million in common stock during the year ended December 31, 2021.
- In November, 2021 Moody's Investor Services announced an upgrade of the Company's long-term issuer rating to Baa2 from Baa3 and an upgrade of the Bank's long-term deposit rating to A2/Prime-1 from A3/Prime-2.

- We continued to manage through the impact of the Covid-19 pandemic during 2021, supporting our employees, customers and communities:
 - Maintained enhanced credit and liquidity risk management protocols;
 - Continued a regular cadence of update calls with our Board and regulators;
 - Closely monitored the performance of our technology systems, significant vendors and internal controls, experiencing no material disruptions in our operations;
 - Emphasized programs to promote employee communication, wellness and engagement;
 - Supported employees in a remote work environment while focusing on a return to office plan, ultimately adopting a hybrid work model for most of our non-branch employees;
 - Continued to participate in the SBA's PPP lending program and various loan modification and deferral programs for borrowers experiencing stress related to the pandemic.

Compensation Philosophy and Objectives

BankUnited's executive compensation program is centered on a pay-for performance philosophy, which aligns executive compensation with shareholder value and determines program design. We believe that our compensation program also discourages inappropriate risk-taking by avoiding undue emphasis on any one metric or short-term goal and having a cap on incentive payments.

Key Elements of our Executive Compensation Program:

Best Practices in Executive Compensation

The Company employs a number of practices that reflect our commitment to good compensation governance practices.

WHAT WE DO	WHAT WE DON'T DO
✓ Use an independent compensation consultant to advise on executive compensation matters	✗ Do not have compensation programs that encourage unnecessary and excessive risk taking
✓ Design compensation programs to drive long-term performance	✗ No income tax or excise tax gross-ups
✓ Incorporate an overriding performance condition in our performance metrics	✗ No reloading, repricing or backdating options
✓ Consider peer group data when making executive compensation decisions; our performance metrics are measured relative to the peer group and are formulaic in nature	✗ Do not permit hedging, pledging or short-selling of the Company's stock by executive officers
✓ Set multi-year vesting periods for equity awards	✗ Do not provide excessive severance arrangements
✓ Have an equity ownership and retention policy for NEOs	✗ Do not pay dividends or dividend equivalents on performance share units (PSUs) or restricted share units (RSUs) until vested
✓ Have a recoupment policy	✗ Do not provide guaranteed bonuses to our NEOs
✓ Regularly engage with shareholders on compensation and governance matters	
✓ Maintain an independent Compensation Committee	
✓ Provide a majority of the NEOs' compensation opportunity in the form of incentive awards, aligning compensation with the Company's performance	
✓ All equity awards granted after March 1, 2019 are subject to "double-trigger" vesting provisions upon a change in control	

Consideration of Say-on-Pay Vote Results

At our most recent annual meeting of shareholders, held on May 25, 2021 the Company conducted an advisory vote to approve its executive compensation for the fiscal year ended December 31, 2020. Shareholders approved the compensation of our NEOs, with 96% of the votes present in person or represented by proxy at the meeting and entitled to vote on the matter cast to approve our 2020 executive compensation proposal. The Compensation Committee considers these results when reviewing our executive compensation program and will continue to consider shareholder feedback and the results of say-on-pay votes when making future compensation decisions.

HOW COMPENSATION DECISIONS ARE MADE

Role of the Compensation Committee

Our Compensation Committee, which is composed entirely of independent directors, is responsible for overseeing the compensation and benefit programs for our NEOs and non-employee directors. Our Compensation Committee meets at least quarterly (one time in person, six times virtually and once by written consent in 2021) to approve amounts paid to our NEOs and non-employee directors and administer our incentive plans, which includes the determination of performance metrics, target pay levels, grant amounts and vesting terms of awards under such plans. Our Compensation Committee is responsible for determining whether our executive compensation policies are reasonable and appropriate, that compensation practices meet the stated objectives of those policies and effectively serve the best interests of the Company and our shareholders.

Role of Management

In evaluating compensation, our Compensation Committee receives and considers information and recommendations from our Chief Executive Officer. Our Compensation Committee has discretion to approve, disapprove or modify recommendations made by our Chief Executive Officer. Our Chief Executive Officer is not present during deliberations or voting by our Compensation Committee relating to his own compensation.

Role of our Independent Compensation Consultant

Pursuant to its charter, our Compensation Committee may in its sole discretion, retain or obtain the advice and assistance of a compensation consultant, legal counsel or other adviser. Our Compensation Committee may retain or obtain the advice of an adviser only after taking into consideration factors related to that person's independence from management, including each of the factors it is required to take into consideration under the Corporate Governance Standards of the New York Stock Exchange, subject to limited exceptions. Our Compensation Committee is responsible for the appointment, compensation, and oversight of any adviser it retains. The Company is obligated to provide appropriate funding for the compensation of any such adviser.

The Compensation Committee has retained Pay Governance as its independent compensation consultant. The compensation consultant assists the Compensation Committee in reviewing the framework of the Company's executive compensation program as well as compensation packages including direct salary, annual incentive and long-term equity incentive programs for Mr. Singh, Mr. Cornish, Ms. Lunak and Mr. Bansal. Pay Governance does not provide any other services to the Company.

Compensation Peer Group

The Compensation Committee selects a compensation peer group in consultation with its independent compensation consultant, considering such factors as similarity in size based on total assets, market capitalization and number of employees, comparability of size and nature of the loan and deposit portfolios, capital levels,

similarity in business model and strategy, geographic footprint, whether a company is a key competitor, proxy advisor-defined peers and other qualitative factors. The Company does not seek to set compensation at a specific level relative to the peer group, but may consider compensation levels of peer group executives as one factor in its evaluation of executive compensation levels. The Compensation Committee further benchmarks certain incentive performance metrics against comparative peer group results and may consider compensation governance practices of peers among other factors in its evaluation of the Company's practices.

The peer group was reviewed by the Compensation Committee, in consultation with its independent compensation consultant, with respect to 2021 incentive awards. The 16 members of the 2021 peer group are:

Bancorpsouth Bank	Signature Bank
BOK Financial Corporation	South State Corporation
East West Bancorp	Sterling Bancorp
F.N.B. Corporation	Synovus Financial Corporation
Fulton Financial Corporation	Texas Capital Bancshares, Inc.
Hancock Whitney Corporation	UMB Financial Corporation
Investors Bancorp	Valley National Bancorp
Pacwest Bancorp	Western Alliance Bancorporation

Bancorpsouth Bank and Sterling Bancorp were excluded from the determination of the amount of executive awards for 2021 as these banks were acquired.

In conjunction with consultation with its independent compensation consultant, the Compensation Committee approved the removal of six companies that had been included in the 2020 peer group and added four companies to the 2021 peer group. Companies added to the peer group included BOK Financial Corporation, Hancock Whitney Corporation, South State Corporation and Sterling Bancorp. These companies were added due to similarity of business model and/or overlap of geographic footprint. Peoples United Financial and TCF Financial were removed from the peer group due to acquisition announcements. Bank OZK, Cullen Frost Bankers, First Republic Bank and New York Community Bank were removed because they were no longer considered comparable to the Company in terms of business model or size.

2021 COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Overriding Performance Condition

If the Company fails to be well-capitalized at the end of any year, as defined by the applicable federal banking regulator for purposes of the prompt corrective action provisions of the Federal Deposit Insurance Act, no performance-based awards will be payable or granted to the Chief Executive Officer, Chief Financial Officer, Chief Operating Officer or Chief Investment Officer regardless of the Company having met the established performance criteria.

2021 Capital Position

- Exceeded all requirements to be considered "well capitalized"
- Total risk-based capital of 14.3%
- CET1 risk-based capital of 12.6%
- Tier 1 leverage ratio of 8.4%

Key Components of our Executive Compensation Program

Our executive compensation program provides a mix of salary, short- and long-term incentives, and benefits that we believe are aligned with our business strategy and are designed to maximize long-term shareholder value.

	Component of Pay	Form of Pay	Objective
Fixed	Base Salary	Cash	To attract and retain key executive talent by providing a level of income security for services rendered during the fiscal year that is not at risk.
At-Risk	Annual Incentive Program (AIP)	Performance-based cash payment	To reward the achievement of annual financial and other performance related goals, aligning pay with performance.
At-Risk	Long-Term Equity-Based Incentive Program (LTIP)	Restricted Share Units (RSUs)	To motivate and retain executives by aligning their long-term interests with those of shareholders through sustained performance.
		Performance Share Units (PSUs)	

In light of our focus on paying for performance, the Compensation Committee structures compensation packages for the NEOs such that a majority of each officer's target compensation opportunity is delivered through incentive compensation, with a significant portion of the total target incentive compensation opportunity delivered through long-term incentive compensation.

2021 Base Salaries

The table below presents the 2020 and 2021 base salaries for each of the NEOs. The Compensation Committee made no adjustments to the base salaries in 2021.

NEO	2020 Base Salary	2021 Base Salary
Rajinder P. Singh	\$1,000,000	\$1,000,000
Leslie N. Lunak	\$500,000	\$500,000
Thomas M. Cornish	\$630,000	\$630,000

2021 Annual Incentive Awards

Messrs. Singh, Cornish and Bansal and Ms. Lunak

Each year, the Compensation Committee sets the performance criteria that are used to calculate the annual incentive awards for Messrs. Singh, Cornish and Bansal and Ms. Lunak. Mr. Richards does not participate in the AIP designed for Messrs. Singh, Cornish and Bansal and Ms. Lunak due to the importance of objectivity on the part of the Chief Risk Officer in focusing on credit quality and risk management, and the risk that such objectivity could appear to be compromised if the metrics used to determine AIP awards for the other NEOs were used in determining Mr. Richards' awards.

The Compensation Committee considers the Company's overall strategic objectives, opportunities and challenges presented by external factors, any feedback received from shareholders, best practices among peers and other factors the committee considers relevant when evaluating and establishing performance criteria. The Compensation Committee established the following performance criteria for Messrs. Singh, Cornish, and Bansal and Ms. Lunak for 2021, measured against the Peer Group:

- Relative year-over-year growth in basis points of net-interest margin
- Relative ratio of non-performing assets, excluding the guaranteed portion of non-accrual SBA loans, to total assets at year-end
- Relative year-over-year percentage growth in diluted earnings per share
- Relative year-over-year percentage growth in average non-interest bearing deposits

The Company's performance with respect to each of the foregoing measures relative to the 2021 peer group was assigned a percentile ranking. All of the performance metrics were weighted equally for the purpose of calculating an average percentile ranking ("APR") used in determining the annual incentive payout. As depicted in the grid below, performance at the 25th percentile is required to earn a threshold payout of 50% of target, 50th percentile (median) performance is required to earn a target payout of 100% and 75th percentile performance is required to earn a maximum payout of 150% of target. No payment is made unless the threshold performance level is achieved. Performance between threshold and target and between target and maximum performance is interpolated on a linear basis.

The table below presents the performance grid for AIP awards:

APR	Payout (% of Target)	Rajinder P. Singh	Leslie N. Lunak	Thomas M. Cornish	Rishi Bansal
<25%	—%	—	—	—	—
25%	50%	\$750,000	\$218,750	\$472,500	\$225,000
50%	100%	\$1,500,000	\$437,500	\$945,000	\$450,000
75%	150%	\$2,250,000	\$656,250	\$1,417,500	\$675,000

Results for 2021 are summarized in the grid below:

	Growth in Net-Interest Margin	NPA Ratio	Earnings Per Share Growth (a)	Growth in Average Non-Interest Bearing Deposits	APR
BankUnited	0.03%	0.45%	110.79%	47.23%	
Percentile Ranking	88.40%	13.70%	75.70%	79.70%	64.38%

- (a) For purposes of determining growth in earnings per share of the Company or its peers, reported amounts may be adjusted to remove the impact of material unusual or non-recurring items. These adjustments of necessity require a certain degree of judgment. The amount of such adjustments is not determined by any of the NEOs whose compensation is impacted by the results and is reviewed by the Compensation Committee. For 2021, BankUnited's operating results were adjusted to remove certain notable items previously disclosed in its fourth quarter earnings results, including a gain on sale of certain loans of \$18.2 million, loss on discontinuance of cash flow hedges of \$44.8 million, a special employee bonus of \$6.8 million and a tax settlement of \$43.9 million, net of related professional fees of \$4.2 million. All pre-tax amounts were tax effected. For additional information and discussion of the notable items during the fourth quarter 2021, refer to Notes 9 and 17 to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2021.

For the year ended December 31, 2021 at the calculated APR of 64.38%, interpolated on a linear basis, the payouts were \$1,931,574 for Mr. Singh, \$1,216,891 for Mr. Cornish, \$563,376 for Ms. Lunak and \$579,472 for Mr. Bansal.

Mr. Richards

In 2021, Mr. Richards' was eligible to receive a cash incentive award determined in accordance with the Company's Policy on Incentive Compensation Arrangements, which provides that incentive amounts are to be based on the past, present and expected future contributions of an employee or group of employees to the overall success, safety and soundness of the organization. Factors considered by the Compensation Committee in evaluating those contributions include, among other things, overall individual performance, overall organizational performance, individual contribution to organizational performance, business segment or departmental performance, successful completion of projects or initiatives and level of individual responsibilities. The

Company's Policy on Incentive Compensation Arrangements is designed to balance risk and financial, operational and strategic results in a manner that does not encourage employees to expose the Company to imprudent risks.

In evaluating Mr. Richards' performance for 2021, the Compensation Committee considered Mr. Richards' contribution to organizational performance as aligned with his role as Chief Risk Officer. Criteria specifically considered by the Committee included Mr. Richards' support in developing and achieving the Company's annual strategic goals and initiatives; maintenance of solid regulatory relations and serving as the primary point of contact with banking regulators; establishing appropriate portfolio concentrations and reporting on portfolio performance; maintaining acceptable asset quality metrics; and providing input, oversight and effective challenge to the ACL process. Based on consideration of the foregoing factors and others deemed relevant by the Compensation Committee, on February 25, 2022, the Committee approved an annual cash incentive award for Mr. Richards in the amount of \$375,000.

2021 LTIP Awards

Messrs. Singh, Cornish and Bansal and Ms. Lunak

Time-Based Awards (RSUs)

In 2021, Messrs. Singh, Cornish and Bansal and Ms. Lunak were eligible to receive an annual grant of RSUs. On March 31, 2021, the Compensation Committee awarded Mr. Singh 32,708 RSUs, with a grant date fair value of \$1,437,517, Mr. Cornish 14,425 RSUs, with a grant date fair value of \$633,979, Mr. Bansal 8,504 RSUs, with a grant date fair value of \$373,751 and Ms. Lunak 8,177 RSUs, with a grant date fair value of \$359,379. The first one-fourth vested on December 31, 2021, and one-fourth will vest on each of December 31, 2022, 2023 and 2024.

Performance-Based Awards (PSUs) - Performance Period January 1, 2021 - December 31, 2024

In 2021, Messrs. Singh, Cornish and Bansal and Ms. Lunak were eligible to receive an annual grant of PSUs.

- Performance will be measured based on the achievement relative to specified peer companies of three equally-weighted performance metrics determined by the Compensation Committee: (i) relative percentage four year compound annual growth rate of tangible book value per share; (ii) relative average annual net charge-off ratio and (iii) relative 4-year total shareholder return. Relative growth in tangible book value per share and relative 4-year total shareholder return are metrics that the Compensation Committee believes serve to align the compensation of our NEOs with the interests of our shareholders. The relative annual net charge-off ratio performance metric serves to discourage excessive risk taking.
 - Relative growth in tangible book value per share and relative net charge-off ratio are measured against the 2021 compensation peer group and relative total shareholder return is measured against the banks in the KBW Regional Bank Index at both the beginning and end of the performance period.
 - The PSU award was denominated in a target number of shares at the beginning of the performance period based on the target value of the PSU award and the fair market value of the Company's common stock at the grant date. The actual number of shares earned will be determined at the end of the four-year measurement period based on actual performance.

- At the end of the performance period, the Company's performance with respect to each of the equally-weighted performance metrics will be assigned a percentile ranking. The number of PSUs earned at the end of the performance period will be determined based on the APR.
- The performance grid for LTIP awards is structured such that a target payout requires performance at the 50th percentile (median). As presented in the grid below, performance at less than a threshold of the 25th percentile results in a payout of zero. Performance at the 50th percentile results in a payout at 100% of target. Performance at or above the 75th percentile results in the maximum payout of 150% of target. Performance between the threshold and target levels and between the target and maximum performance levels will be interpolated on a linear basis. Awards are capped at 150% of each NEO's target. The performance grid is presented below:

APR	Payout (% of Target)
<25%	—%
25%	50%
50%	100%
75%	150%

Threshold, Target and Maximum performance levels for PSUs Granted in 2021

	25th Percentile		50th Percentile		75th Percentile	
	Threshold	Threshold Shares	Target	Target Shares	Maximum	Maximum Shares
Rajinder P. Singh	\$718,750	16,354	\$1,437,500	32,708	\$2,156,250	49,062
Leslie N. Lunak	\$179,688	4,089	\$359,375	8,177	\$539,063	12,266
Thomas M. Cornish	\$316,969	7,213	\$633,938	14,425	\$950,907	21,637
Rishi Bansal	\$186,875	4,252	\$373,750	8,504	\$560,625	12,756

Mr. Richards

For similar reasons as those discussed above with respect to the AIP, Mr. Richards did not participate in the LTIP that was designed for Messrs. Singh, Cornish and Bansal and Ms. Lunak, but was eligible to receive a restricted share award in accordance with the Company's Policy on Incentive Compensation Arrangements, the amount of which was determined by the Committee based on criteria considered relevant by the Committee, which included:

- Executing proper governance and oversight of Enterprise Risk Management and Credit Risk Management;
- Establishing a sound enterprise risk management and monitoring framework commensurate with the size and complexity of the organization;
- Ensuring maintenance of a robust credit risk rating system and processes; and
- Promoting a balanced risk-taking culture.

On February 25, 2022, the Compensation Committee evaluated the performance of Mr. Richards and effective March 1, 2022 approved a restricted share award of 12,000 shares to Mr. Richards, which are scheduled to vest in equal installments on March 1, 2023, 2024, 2025 and 2026, subject to his continued service.

Change in Performance Periods in March 2019

As previously disclosed in our 2020 proxy statement, Messrs. Singh, Cornish and Bansal and Ms. Lunak were granted PSUs in March 2019 at which time the Compensation Committee extended the performance period which previously had been three years, to four years. The performance period for the PSUs granted in March 2019 commenced on January 1, 2019 and will end on December 31, 2022. As a result of this change, no PSU awards vested on December 31, 2021.

OTHER ELEMENTS OF COMPENSATION

Retirement Programs

All of the Company's full-time employees (including the Company's NEOs) are eligible to participate in a 401(k) plan. In addition, certain of the Company's employees, including the NEOs, are eligible to participate in our Nonqualified Deferred Compensation Plan, the terms of which are described in additional detail below under "Nonqualified Deferred Compensation." The Company has no defined benefit pension plans.

Welfare Programs

The Company offers a variety of health and other welfare benefit programs to all employees, including medical, dental, vision, life insurance and disability insurance. The Company's NEOs are generally eligible to participate in these employee benefit plans on the same basis as the rest of the Company's employees. In addition, pursuant to Mr. Singh's employment agreement, the Company pays all premiums on and otherwise maintains in good standing a second to die split-dollar life insurance arrangement providing for a death benefit of \$15 million.

No Excise Tax Gross-Ups; Perquisites

The Company does not provide excise tax gross-ups to its employees. Mr. Singh has non-exclusive access to a Company provided automobile and driver primarily for business purposes, with access for personal use depending on availability. This limited transportation perquisite is similar to that offered by companies with which the Company competes for talent and enables employees to better focus on their duties to the Company. In addition, when traveling on Company business, the CEO is occasionally permitted to bring family members on the Company aircraft, which does not result in incremental cost to the Company. The imputed value of this perquisite is included in "all other compensation" in the Summary Compensation Table below.

Limited Severance Arrangements

In order to promote the retention of our executive leadership team, particularly in the event of a potentially disruptive corporate transaction, the Company provides customary but limited severance arrangements to its NEOs. In addition, the CEO is party to an employment agreement with the Company. The terms of these arrangements are described below under "Potential Payments Upon Termination or Change-in-Control."

OTHER CONSIDERATIONS

Equity Ownership Requirement

We believe that requiring members of our executive management to invest and maintain ownership in our Company better aligns their interests with the interests of our shareholders. The Company's Executive Ownership Policy provides that so long as the executive is employed and a NEO, the executive will not sell equity other than for purposes of tax withholding due upon the settlement of an equity award or to pay the exercise price due upon the exercise of an option if after giving effect to such sale, his or her respective retained equity (including vested and unvested shares and options) has a value that is less than the stipulated multiple of his or her salary.

The multiples of salary currently stipulated in the policy are:

Named Executive Officer	Minimum Equity Ownership
Chief Executive Officer	6 times base salary
All Other Named Executive Officers	3 times base salary

The NEOs have three years from the date they were appointed as a NEO to meet their target ownership level. The stock ownership requirement may be satisfied by:

- Vested and unvested common stock
- Vested and unvested restricted share units
- Vested and unvested stock options

Equity Ownership			
Named Executive Officer	Ownership Requirement	Value Required to be Held	Holds Required Amount ⁽¹⁾
Rajinder P. Singh	6 X Base Salary	\$6,000,000	Yes
Leslie N. Lunak	3 X Base Salary	\$1,500,000	Yes
Thomas M. Cornish	3 X Base Salary	\$1,890,000	Yes
Rishi Bansal	3 X Base Salary	\$1,350,000	Yes
Jay D. Richards	3 X Base Salary	\$1,200,000	Yes

(1) Based on the \$43.96 closing price of our stock price on March 31, 2022.

Recoupment Policy

The Company has a recoupment policy, which provides that, if we are required to prepare an accounting restatement of our financial statements due to material noncompliance with any reporting requirement, our Board (or a committee thereof) may require reimbursement or forfeiture of incentive-based compensation received by any of our current or former NEOs during the three-year period preceding the date on which we are required to prepare the accounting restatement. The amount to be recouped is based on the excess of the amount of incentive-based compensation paid based on the erroneous financial information over the amount that would have been paid based on the financial information as restated. This policy is in addition to our ability to seek reimbursement or forfeiture of compensation pursuant to the terms of any plan, policy or agreement or applicable law.

Anti-Hedging and Anti-Pledging of Company Securities

Pursuant to our Insider Trading Policy, our directors, executive officers, and other employees and their related parties, which includes spouses, minor children, and other family members who reside in the same household and any other entities in which such persons exercise or share control (“Covered Persons”) are prohibited from engaging in short sales of the Company's securities, pledging the Company’s securities as collateral for a loan or holding the Company’s securities in a margin account.

Directors and executive officers of the Company are prohibited from engaging in hedging transactions with respect to Company securities such as (but not limited to) zero-cost collars, equity swaps, and forward sale contracts. Any other Covered Person is prohibited from engaging in any such hedging transactions while in possession of material non-public information regarding the Company.

Tax Implications

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to public companies for compensation greater than \$1 million paid in any tax year to covered executive officers. Despite this limitation on the tax deductibility of executive compensation, the Compensation Committee considers it important to design and implement compensation programs that it believes are competitive and in the best interests of the Company and its shareholders.

Compensation Risk Assessment

At least annually, our Compensation Committee assesses the compensation policies and practices applicable to our employees, including our executive officers, and considers whether such policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. Additionally, our Enterprise Risk Management group periodically performs an independent risk assessment of all of the Company's incentive compensation arrangements, including those applicable to our NEOs. The most recent such risk assessment was completed in 2020.

We believe our compensation programs strike the appropriate balance between the short-term and long-term performance of the Company. We consider the potential risks in our business when designing and administering our compensation programs, and we believe our balanced approach to performance measurement and compensation decisions mitigates the risk that employees, including our executive officers, will be encouraged to undertake excessive or inappropriate risk. The Company's compensation program also is subject to internal controls and to audit by our internal audit function, and we rely on principles of sound governance and good business judgment in administering our compensation programs.

Based on its assessment in 2021, our Compensation Committee has determined, in its reasonable business judgment, that the Company's compensation policies and practices as generally applicable to its executive officers and employees do not create risks that are reasonably likely to have a material adverse effect on the Company.

COMPENSATION COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

- For Mr. Richards, the amount reported for 2021 represents an incentive bonus earned for performance in 2021 and paid during the first quarter of 2022.
- Amounts shown do not reflect the compensation actually realized in 2021 by the NEOs. Instead, amounts represent the aggregate grant date fair value of performance and restricted shares granted to the NEOs during 2021 calculated in accordance with FASB ASC Topic 718. For additional information on the assumptions used in determining fair value for share-based compensation, refer to Notes 1 and 12 to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2021.
- On March 31, 2021, the Compensation Committee awarded Mr. Singh 32,708 RSUs and 32,708 PSUs, Mr. Cornish 14,425 RSUs and 14,425 PSUs, Ms. Lunak 8,177 RSUs and 8,177 PSUs and Mr. Bansal 8,504 RSUs and 8,504 PSUs. For PSUs, the amount included is based on the probable outcome of performance conditions, which is equal to the target amount. Assuming satisfaction of performance conditions at the maximum level, the PSUs granted to (w) Mr. Singh would have had a grant date fair value of \$2,156,250 (as opposed to the target grant date fair value of \$1,437,500 reported above); (x) Mr. Cornish would have had a grant date fair value of \$950,907 (as opposed to the target grant date fair value of \$633,938 reported above); (y) Ms. Lunak would have had a grant date fair value of \$539,063 (as opposed to the target grant date of \$359,375 reported above); and (z) Mr. Bansal would have had a grant date fair value of \$560,625 (as opposed to the target grant date of \$373,750 reported above).
- Other than RSUs and PSUs, we typically grant stock awards in the first quarter of each year as part of total year-end compensation awarded for prior year performance. As a result, the amounts for those stock awards generally appear in the Summary Compensation Table for the year after the performance year upon which they were based. On March 1, 2021, Mr. Richards was awarded 12,000 restricted shares for his performance in the 2020 fiscal year and overall contributions to the Company.
- For each Messrs. Singh, Cornish, Bansal and Ms. Lunak the amounts reported reflect a performance-based cash incentive award earned for performance in 2021 and paid in the first quarter of 2022.
- Includes contributions of \$13,050 and \$31,950 made by us on Mr. Singh's behalf to our 401(k) plan and Nonqualified Deferred Compensation Plan, respectively, \$8,998 for personal use of a company owned automobile, \$23,603 for personal use of a company paid driver, \$10,366 for personal use of the Company's aircraft and \$19,213 representing annual service cost recorded by the Company related to Mr. Singh's split-dollar life insurance arrangement.

7. Represents a contribution of \$13,050 made by us on behalf of each of Messrs. Cornish, Bansal, Richards and Ms. Lunak to our 401(k) plan.

- Amounts represent threshold, target and maximum non-equity incentive plan awards under the AIP for 2021. Additional information on performance metrics and payout calculations are included in "Compensation Discussion and Analysis - 2021 Annual Incentive Awards". The AIP awards were paid out in the first quarter of 2022. Amounts are reported in the "Summary Compensation Table - Non-Equity Incentive Plan Compensation"
- Represents PSUs granted under the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan (the "2014 Plan"). These PSUs are based on a four-year performance period from January 1, 2021 through December 31, 2024. Each PSU represents the right to receive, at settlement, and at the discretion of the plan administrator, one share of common stock or cash in an amount equal to the fair market value of one share of common stock. At the time of settlement, the NEO will be eligible to receive a dividend award in an amount equal to the dividends that would have been paid during the performance period but only to the extent the underlying award vests. At the discretion of the plan administrator, the dividend award can be settled in cash equal to the dividend award, or shares having a fair market value equal to such dividend award. Amounts are reported in the "Summary Compensation Table - Stock Awards" based on the probable outcome of performance conditions, which is equal to the target amount.
- Represents RSUs granted under the 2014 Plan. In the case of Messrs. Singh, Cornish and Bansal and Ms. Lunak, one-fourth of the RSUs vested on December 31, 2021 and the unvested portion of the awards will vest in equal installments on December 31, 2022, December 31, 2023 and December 31, 2024. Each RSU represents the right to receive, at settlement, and at the discretion of the plan administrator, one share of common stock or cash in an amount equal to the fair market value of one share of common stock. At the time of settlement, the NEO will be eligible to receive a dividend award in an amount equal to the dividends that would have been paid prior to settlement. At the discretion of the plan administrator, the dividend award can be settled in cash equal to the dividend award, or shares having a fair market value equal to such dividend award.
- Represents restricted share awards granted under the 2014 Plan. On March 1, 2021, Mr. Richards was awarded 12,000 restricted shares for his performance in the 2020 fiscal year and overall contributions to the Company. The restricted shares are scheduled to vest in equal annual installments on March 1, 2022, 2023, 2024 and 2025, subject to continued employment through the applicable vesting dates, and participate in dividends declared on common shares.

5. Represents the fair value of restricted stock awards based on the closing price of the Company's common stock at the date of grant pursuant to FASB ASC Topic 718. For additional information on the assumptions used in determining fair value for share-based compensation, refer to Notes 1 and 12 in the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2021. For performance-based awards, the amount included is based on the probable outcome of performance conditions, which is equal to the target amount.

- Mr. Richards does not participate in the Company's Nonqualified Deferred Compensation Plan.
- The full amount of the contribution for Messrs. Singh, Cornish and Bansal and Ms. Lunak to the Nonqualified Deferred Compensation Plan is reflected as compensation earned as part of each executive's "Salary", and/or "Bonus" or "Non-Equity Incentive Plan Compensation" in 2021 in the "Summary Compensation Table for 2021."
- Amounts reflect our contributions, if any, to the Nonqualified Deferred Compensation Plan for the applicable NEO. These amounts are also reported in the "All Other Compensation" column of the "Summary Compensation Table for 2021."
- These amounts include amounts previously reported in the Summary Compensation Table as "Salary," "Bonus," "Non-Equity Incentive Plan Compensation" or "All Other Compensation" for years prior to 2021, in the following aggregate amounts: \$1,637,498 for Mr. Singh, \$650,000 for Ms. Lunak, \$94,500 for Mr. Cornish and \$382,500 for Mr. Bansal.

Our Nonqualified Deferred Compensation Plan allows each NEO to defer up to 100% of salary and cash bonus or incentives. Mr. Singh is eligible to receive company matching contributions under the plan. For the 2021 plan year, we contributed an amount equal to 100% of the first 1% plus 70% of the next 5% of eligible compensation that Mr. Singh elected to defer under the plan. Amounts deferred by a NEO are vested at all times and amounts that we contribute on the executive's behalf will become vested upon the earlier to occur of a change in control (as defined in the plan), the executive's death, disability, attainment of age 65 or completion of two years of service. The Company credits each participant's account with income based on either an annual interest

rate determined by the Company's Compensation Committee or returns of selected investment portfolios, as elected by the participant. The annual interest rate has ranged from 6.08% in 2009 to 5.00% in 2021. Amounts deferred under our Nonqualified Deferred Compensation Plan are distributed upon a date or dates specified by the executive, which may be no earlier than January 1 of the third plan year following the plan year in which the compensation would have otherwise been paid to the executive, or upon the earliest to occur of the executive's separation from service, disability or a change in control.

Potential Payments Upon Termination or Change-in-Control

The employment arrangements with our NEOs provide for certain severance payments and benefits, to the extent applicable, in the event of a termination of employment as described below:

Employment Agreement with Mr. Singh

Mr. Singh is the only executive subject to an employment agreement. Mr. Singh has been a party to various employment agreements with us since July 2009. Mr. Singh's current employment agreement provides for a term of three years commencing on January 1, 2020 (the "Employment Term") and reflects his current base salary of \$1,000,000.

The Employment Term may be extended by mutual agreement of the parties. In the event of the public announcement of a transaction or other event that would constitute a change in control (such announcement, a "Public Announcement") during the Employment Term, the Employment Term would be automatically extended as necessary such that it expires on the later of the last day of the then-current Employment Term and the second anniversary of the change in control.

The employment agreement with Mr. Singh provides that, in the event of termination of his employment by the Company without Cause or by him for Good Reason (as defined in the employment agreement) during the Employment Term, Mr. Singh would be entitled to receive, subject to an execution of a release of claims against the Company, (i) payment of an amount equal to two times the sum of his base salary and target annual incentive opportunity (or three times such sum if termination occurs on or following a change in control); (ii) payment of his prorated annual incentive award based on actual performance for the year of termination (or a prorated annual incentive award based on target performance if termination occurs on or following a change in control); (iii) full vesting of his RSU awards (and any other time-based equity awards); (iv) vesting of his PSU awards based on actual achievement for the performance criteria (or, if the termination occurs following a Public Announcement, the PSU awards will convert into a time-based RSU award (with the number of units determined based on the award agreement) that vests on the later of the change in control and the date of termination); (v) continued coverage under the Company's group health plans at the Company's expense for up to 24 months following termination; and (vi) continuation of Mr. Singh's split-dollar life insurance arrangement.

In addition, the employment agreement provides that, in the event of Mr. Singh's termination of employment during the Employment Term, due to his death or Disability (as defined in the employment agreement), Mr. Singh would be entitled to receive the benefits described in (iii)-(vi) above. In the event Mr. Singh's employment with the Company terminates for any reason following expiration of the Employment Term he would be entitled to receive the benefits described in (iii), (iv) and (vi) above.

Upon a change in control, the PSU awards granted to Mr. Singh under his employment agreement would automatically convert to time-based RSUs ("Converted RSUs") that vest at the completion of the performance period, subject to his continued employment with the Company through the vesting date. In the event of Mr. Singh's termination of employment due to death or Disability, without Cause by the Company, for Good Reason by Mr. Singh or for any reason following the expiration of such employment agreement, prior to a Public Announcement, any unvested portions of the PSU awards would vest based on actual achievement of the

performance criteria. If any such termination occurs on or following a Public Announcement and contingent on the consummation of the change in control, the Converted RSUs would fully vest on the later to occur of (i) the date of such change in control and (ii) the termination date.

Mr. Singh's employment agreement does not require the Company to reimburse him for the amount of any golden parachute excise tax imposed under Section 4999 of the Internal Revenue Code. Instead, if the payments to be received by Mr. Singh under the employment agreement would result in the imposition of the golden parachute excise tax, the amount payable would be paid in full or reduced to such lesser amounts that would result in no portion of the payments being subject to the golden parachute excise tax, whichever would result in Mr. Singh's receipt of the greatest amount under his employment agreement on an after-tax basis.

Mr. Singh is subject to confidentiality and non-disparagement obligations under his employment agreement as well as non-competition and non-solicitation covenants for a period of 18 months following a termination of employment during the Employment Term by the Company for Cause or following Mr. Singh's voluntary resignation without Good Reason.

The employment agreement is subject to regulatory laws to the extent applicable.

Change in Control Agreement with Ms. Lunak and Mr. Bansal

Ms. Lunak and Mr. Bansal have change in control agreements pursuant to which, if the executive's employment is terminated by the Company without Cause (as defined in the change in control agreement), or by the executive due to a reduction in base salary, each within six months following a change in control of the Company, the executive would be entitled to a payment in the amount equal to one year of his or her base salary, payable on the date that is six months following the change in control. The agreement further provides for payment, on the date that is six months following completion of the change in control, of a lump sum retention bonus equal to one year of base salary (as in effect immediately prior to the change in control), subject to his or her continued employment with BankUnited and any successor to BankUnited through such date.

Change in Control Agreement with Mr. Richards

Mr. Richards' commenced employment with BankUnited, N.A. on January 29, 2018 and has a change in control agreement pursuant to which, he will receive on the date that is six months following consummation of the change in control, subject to his continued employment with BankUnited and any successor to BankUnited, a lump sum payment, in an amount equal to: (i) three times his annual base salary, if the change in control occurs prior to the first anniversary of his continued employment with BankUnited or (ii) two times his annual base salary, if the change in control occurs on or after the first anniversary and prior to the second anniversary of his continued employment with BankUnited or (iii) one time his annual base salary if the change in control occurs on or after the second anniversary and prior to the third anniversary of his continued employment with BankUnited. Mr. Richards' change in control agreement expired on January 29, 2021.

Equity Awards

In the event of a change in control, all outstanding restricted stock awards and RSUs granted prior to March 1, 2019 (other than the equity awards described under "Employment Agreement with Mr. Singh") held by the NEOs that are then unvested would be subject to accelerated vesting, and any performance-based units to be prospectively awarded with respect to a pending performance period would be granted and vested at target levels. Awards granted after March 1, 2019 (other than the equity awards described under "Employment Agreement with Mr. Singh") that are assumed in connection with, or otherwise continued following, a change in control are not subject to vesting upon a change in control, but are subject to accelerated vesting in the event of a termination of employment without cause or for good reason within 24 months following the change in control.

The following table provides information concerning the estimated payments and benefits that would be provided in the circumstances described above for each of the NEOs, which were estimated assuming that the triggering event took place on the last business day of the fiscal year (December 31, 2021) and calculated using the closing price per share of our common stock on such date (\$42.31), and also assumes a cash-out of equity awards in connection with a change in control. The amounts set forth below do not reflect any potential reduction to avoid application of Sections 280G and 4999 of the Internal Revenue Code.

CEO PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of our CEO. The pay ratio included in this information is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K. Given the different methodologies that companies may use to determine their CEO pay ratio, the ratio reported below may not be comparable to the ratios reported by other companies.

For 2021, our last completed fiscal year:

- We determined that, as of December 31, 2021 our employee population consisted of approximately 1,465 full- and part-time employees, including two temporary employees, all of whom were located in the United States. We have no seasonal employees.
- To identify the “median employee” from our employee population, we compared the amount of gross pay of our employees (excluding our CEO) as reflected in our payroll records as reported to the Internal Revenue Service on Form W-2 for 2021. In making this determination, we annualized the compensation of approximately 242 full-time employees and part-time employees who were hired in 2021 but did not work for us for the entire fiscal year.
- Once we identified our median employee, we combined all of the elements of such employee's compensation for 2021 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K.
- With respect to the annual total compensation of our CEO, we used the amount reported in the "Total" column of our 2021 Summary Compensation Table included in the 2022 Proxy Statement.

For 2021, our last completed fiscal year:

- the median of the annual total compensation of all employees of our company (other than our CEO) was \$103,655 and
- the annual total compensation of our CEO, as reported in the "Total" column of the Summary Compensation Table included elsewhere in this Proxy Statement was \$5,913,787.

Based on this information, for 2021 the ratio of the annual total compensation of Mr. Singh, our Chairman, President and Chief Executive Officer, to the median of the annual total compensation of all employees was 57.1 to 1.

- (1) Includes 1,167,468 shares subject to restricted share awards and 484,896 RSUs and PSUs granted under the BankUnited, Inc. Amended and Restated 2014 Omnibus Equity Incentive Plan (the "2014 Plan"). At the time of grant and throughout the vesting period, PSUs are recorded at the maximum payout and adjusted at settlement based on the measurement of performance achievement.
- (2) Shares subject to restricted share awards granted under the BankUnited, Inc. 2010 Omnibus Equity Incentive Plan (the "2010 Plan"), which expired on January 27, 2021. No further awards are available for issuance under this plan.

In connection with the IPO, the Company adopted the 2010 Plan. The 2010 Plan was administered by the Board or a committee thereof and provided for the grant of non-qualified stock options, share appreciation rights, restricted shares, deferred shares, performance shares, unrestricted shares and other share-based awards to selected employees, directors or independent contractors of the Company and its affiliates.

Shares of common stock delivered under the 2010 and 2014 Plans may consist of authorized but unissued shares or previously issued shares reacquired by the Company. The term of a share option or stock appreciation right issued under the 2010 and 2014 Plans may not exceed ten years from the date of grant and the exercise price may not be less than the fair market value of the Company's common stock at the date of grant. Awards issued prior to March 1, 2019 are subject to full vesting upon a "change in control" (as defined in the 2010 and 2014 Plans). Awards granted after March 1, 2019 that are assumed in connection with, or otherwise continued following, a change in control are not subject to vesting upon a change in control, but may be eligible for vesting upon a qualifying termination of employment thereafter.

We believe that equity based compensation is a meaningful tool to promote employee satisfaction and retention, and that it serves to align the interests of key employees with those of our investors. In March 2022, the Compensation Committee granted awards of 465,550 restricted shares to employees in recognition of their contributions to the Company's performance in fiscal year 2021. In addition, 294,331 RSUs were granted to employees covered by our functional sales incentive plans based on their performance in 2021. The total number of share awards granted to employees in 2022 for 2021 performance increased over the number granted in 2021, primarily due to an increase in the number of share awards granted to employees who participate in our sales incentive plans. Historically, equity based awards have not constituted a significant component of compensation for most employees covered by our sales incentive plans. The change to more heavily weight the equity compensation portion of sales incentive awards as compared to the cash portion under our functional sales incentive plans was in response to the challenges the Company is facing in attracting and retaining key employees in the current labor market. Further, we strongly believe that more emphasis on equity compensation, which vests

over time and allows these employees to participate directly in the Company's success, better aligns the interests of these key employees with the long term interests of our shareholders.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS ("SAY-ON-PAY")

As required by Section 14A of the Securities Exchange Act, the Board of Directors is providing our shareholders the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. This vote is referred to as a "Say-on-Pay" vote, which we hold annually.

As described in more detail under the heading "Compensation Discussion and Analysis," we believe that our executive compensation programs appropriately motivate and retain our executives while effectively aligning the interests of our named executive officers with those of our shareholders. We target total compensation for our NEOs at market and peer group competitive levels, while delivering pay which is linked to company performance over time.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers generally, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. Because the vote is advisory, it will not be binding upon our Board of Directors or Compensation Committee and we will not be required to take any action as a result of the outcome of the vote. However, our Board of Directors and Compensation Committee value the opinions of our shareholders and, will take the results of the vote into consideration when making compensation decisions.

For the reasons set forth above, and the others described elsewhere in this Proxy Statement, the Board of Directors recommends approval of the following non-binding resolution:

"RESOLVED, that the shareholders hereby APPROVE, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC in the Company's Proxy Statement for the 2022 Annual Meeting of shareholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section, the compensation tables and any related material disclosed in this Proxy Statement."

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS ON AN ADVISORY, NON-BINDING BASIS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO ITEM 402 OF REGULATION S-K, INCLUDING THE COMPENSATION DISCUSSION AND ANALYSIS, COMPENSATION TABLES AND RELATED MATERIAL DISCLOSED IN THIS PROXY STATEMENT.

BENEFICIAL OWNERSHIP OF THE COMPANY'S COMMON STOCK

The following table sets forth certain information with respect to the beneficial ownership of the Company's equity securities as of the March 21, 2022 record date: (1) each person or entity, based on information contained in Schedules 13G filed with the SEC, who owns of record or beneficially more than 5% of any class of the Company's voting securities; (2) each of the Company's executive officers and directors; and (3) all of the Company's directors and executive officers as a group. Beneficial ownership is determined in accordance with the rules of the SEC. To our knowledge, each shareholder will have sole voting and investment power with respect to the shares indicated as beneficially owned, unless otherwise indicated in a footnote to the following table. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of common stock subject to options or warrants held by that person that are currently exercisable or exercisable within 60 days of March 21, 2022. We did not, however, deem these shares outstanding for the purpose of computing the percentage ownership of any other person. Beneficial ownership representing less than 1% is denoted with an asterisk (*).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of the issued and outstanding shares of the Company's common stock to file reports of initial ownership of common stock and other equity securities and subsequent changes in that ownership with the SEC and the NYSE. Based solely on a review of such reports and written representations from the directors and executive officers, the Company believes that all reports that were required to be filed under Section 16(a) during 2021 were timely filed.

REQUIREMENTS, INCLUDING DEADLINES, FOR SUBMISSION OF PROXY PROPOSALS, NOMINATION OF DIRECTORS AND OTHER BUSINESS OF SHAREHOLDERS

In order to submit shareholder proposals for the 2023 annual meeting of shareholders for inclusion in the Company's Proxy Statement pursuant to Rule 14a-8 promulgated under Section 14(a) of the Exchange Act materials must have been received by the Corporate Secretary at the Company's principal office in Miami Lakes, Florida, no later than December 9, 2022.

The proposals must comply with all of the requirements of SEC Rule 14a-8. Proposals should be addressed to: Corporate Secretary, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016. As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion.

The Company's Amended and Restated By-Laws also establish an advance notice procedure with regard to director nominations and shareholder proposals that are not submitted for inclusion in the Proxy Statement, but that a shareholder instead wishes to present directly at an annual meeting. To be properly brought before the 2023 annual meeting of shareholders, a notice of the nomination or the matter the shareholder wishes to present at the meeting must be delivered to the Corporate Secretary at the Company's principal office in Miami Lakes, Florida (see above), not less than 90 or more than 120 days prior to the first anniversary of the date of this year's Annual Meeting. As a result, any notice given by or on behalf of a shareholder pursuant to these provisions of the Company's Amended and Restated By-Laws (and not pursuant to Exchange Act Rule 14a-8) must be received no earlier than January 18, 2023, and no later than February 17, 2023. All director nominations and shareholder proposals must comply with the requirements of the Company's By-Laws, a copy of which may be obtained at no cost from the Corporate Secretary of the Company. To comply with the universal proxy rules once effective, shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than March 19, 2023.

Other than the proposals described in this Proxy Statement, the Company does not expect any matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders on the proxy card will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any unforeseen reason, any one or more of the Company's nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

The chairman of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made in compliance with the foregoing procedures.

PROXY STATEMENT

The Board of Directors (the "Board of Directors" or "Board") of BankUnited, Inc. (the "Company," "we," "us" or "our") is soliciting your proxy to vote at the 2022 Annual Meeting of Shareholders to be held on Wednesday, May 18, 2022, at 10:00 a.m., Eastern Time, and at any adjournment or postponement of that meeting (the "Annual Meeting"). The Annual Meeting will be a virtual meeting and shareholders are invited to attend by logging into: www.virtualshareholdermeeting.com/BKU2022. This Proxy Statement and the accompanying proxy card, the Notice of Annual Meeting of Shareholders and the 2021 Annual Report to Shareholders (the "Annual Report") were first mailed on or about April 8 2022, to shareholders of record as of March 21, 2022 (the "Record Date").

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: *Why am I receiving these materials?*

A: We are providing these proxy materials to you in connection with the solicitation, by the Board of Directors of BankUnited, Inc., of proxies to be voted at the Company's Virtual Annual Meeting. You are receiving this Proxy Statement because you were a BankUnited, Inc. shareholder as of the close of business on the Record Date. This Proxy Statement provides notice of the Virtual Annual Meeting, describes the three proposals presented for shareholder action and includes information required to be disclosed to shareholders.

Q: *How do I get electronic access to the proxy materials?*

A: This Proxy Statement and the Company's Annual Report to Shareholders are available on our website at <https://ir.bankunited.com>. If you are a shareholder of record, you may elect to receive future annual reports or proxy statements electronically by registering your email address at www.proxyvote.com. If you hold your shares in street name, you should contact your broker, bank or other nominee for information regarding electronic delivery of proxy materials. An election to receive proxy materials electronically will remain in effect for all future annual meetings unless revoked. Shareholders requesting electronic delivery may incur costs, such as telephone and internet access charges, that must be borne by the shareholder.

Q: *What proposals will be voted on at the Annual Meeting?*

A: There are three proposals scheduled to be voted on at the virtual Annual Meeting:

- To elect nine directors identified in this Proxy Statement to the Board of Directors to serve until the next annual meeting of shareholders and until that person's successor is duly elected and qualified, or until that person's earlier death, resignation or removal.
- To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2022.
- To approve, on an advisory basis, the compensation of our named executive officers.

Q: *What is the Board of Directors' voting recommendation?*

A: The Company's Board of Directors recommends that you vote your shares:

- "FOR" each of the nominees to the Board of Directors.
- "FOR" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2022.
- "FOR" the approval, on an advisory basis, of the compensation of our named executive officers.

Q: *Who is entitled to vote?*

A: All shares owned by you as of the close of business on March 21, 2022 (the "Record Date") may be voted by you. You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are:

- held directly in your name as the shareholder of record; and
- held for you as the beneficial owner through a broker, bank or other nominee.

On the Record Date, BankUnited, Inc. had 84,674,997 shares of common stock issued and outstanding.

Q: *What is the difference between holding shares as a shareholder of record and as a beneficial owner?*

A: Many of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Shareholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Computershare, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the Company. As the shareholder of record, you have the right to grant your voting proxy directly to certain officers of BankUnited, Inc. or to vote at the virtual Annual Meeting. The Company has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described below under the heading "How can I vote my shares without attending the virtual Annual Meeting?"

Beneficial Owner. If your shares are held in an account by a broker, bank or other nominee, like many of our shareholders, you are considered the beneficial owner of shares held in street name, and these proxy materials were forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares, and you are also invited to attend the virtual Annual Meeting.

Since a beneficial owner is not the shareholder of record, you may not vote your shares at the virtual Annual Meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that is the shareholder of record of your shares giving you the right to vote the shares at the virtual Annual Meeting. If you will not be attending the virtual Annual Meeting, you may vote by proxy. You may vote by proxy over the internet or by telephone, as described below under the heading "How can I vote my shares without attending the virtual Annual Meeting?"

Q: *How can I participate in the virtual Annual Meeting?*

A: To participate in the virtual Annual Meeting visit www.virtualshareholdermeeting.com/BKU2022 and enter the 16-digit control number included on your notice of Internet availability of the proxy materials, on your proxy card, or on the instructions that accompanied your proxy materials. You may begin to log into the meeting platform beginning at 9:30 a.m. Eastern Time ("ET") on May 18, 2022. The meeting will begin promptly at 10:00 a.m. ET on May 18, 2022.

The virtual meeting platform is fully supported across browsers (Internet Explorer, Firefox, Chrome, and Safari) and devices (desktops, laptops, tablets, and cell phones) running the most updated version of applicable software and plugins. Participants should ensure that they have a strong WiFi connection wherever they intend to participate in the meeting. Q: *How can I vote my shares at the virtual Annual Meeting?*

A: **Shareholder of Record.** Shares held directly in your name as the shareholder of record may be voted at the virtual Annual Meeting. You will need to have the 16-digit control number to vote your shares at the virtual annual meeting.

Beneficial Owner. Shares held in street name may be voted at the virtual Annual Meeting. You will need the 16-digit control number provided on the instructions that accompanied your proxy materials to vote your shares at the virtual annual meeting..

Q: *How can I vote my shares without attending the virtual Annual Meeting?*

A: Whether you hold your shares directly as the shareholder of record or beneficially own your shares in street name, you may direct your vote without attending the virtual Annual Meeting by voting in one of the following manners:

- **Internet.** Go to the website listed on your proxy card or voting instruction card and follow the instructions there. You will need the control number included on your proxy card or voting instruction form;
- **Telephone.** Dial the number listed on your proxy card or your voting instruction form. You will need the control number included on your proxy card or voting instruction form; or
- **Mail.** Complete and sign your proxy card or voting instruction card and mail it using the enclosed, prepaid envelope.

If you vote on the internet or by telephone, you do not need to return your proxy card or voting instruction card. Internet and telephone voting for shareholders will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 17, 2022.

Q: What is the quorum requirement for the Annual Meeting?

A: A quorum is necessary to hold a valid Annual Meeting. A quorum exists if the holders of a majority of the Company's capital stock issued and outstanding and entitled to vote thereat are present at the virtual meeting or represented by proxy. Abstentions and broker non-votes are counted as present for determining whether a quorum exists. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

Q: What happens if I do not give specific voting instructions?

A: ***Shareholder of Record.*** If you are a shareholder of record and you submit a signed proxy card or submit your proxy by telephone or the internet but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations of the Board of Directors on all matters presented in this Proxy Statement. With respect to any other matters properly presented for a vote at the virtual Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

Beneficial Owners. If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of the New York Stock Exchange (the "NYSE"), the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters such as the election of directors. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." Therefore, we urge you to give voting instructions to your broker. Shares represented by such broker non-votes will be counted in determining whether there is a quorum. Because broker non-votes are not considered entitled to vote, they will have no effect on the outcome on non-routine matters other than reducing the number of shares present at the virtual annual meeting or by proxy and entitled to vote from which a majority is calculated for proposals that require the approval of a majority of the shares represented at the meeting and entitled to vote on the proposal.

Q: Which proposals are considered "routine" or "non-routine"?

A: The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2022 (Proposal No. 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of directors (Proposal No. 1) and the advisory vote to approve the compensation of our named executive officers (Proposal No. 3) are matters considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes with respect to each of Proposal No.1 and Proposal No. 3.

Q: *What is the voting requirement to approve each of the proposals?*

A: Proposal 1: Nine directors have been nominated for election at the virtual Annual Meeting. Each director will be elected by a majority of the votes cast, either in attendance or by properly authorized proxy, in the election of directors at the virtual Annual Meeting. Shareholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes will have no effect on this proposal.

An incumbent director nominee who fails to receive the affirmative vote of a majority of the votes cast will be required to tender his or her resignation for the consideration of the Board. The Board's Nominating and Corporate Governance Committee would then make a recommendation to the Board as to whether to accept or reject the resignation, or as to any other action to be taken. Upon such recommendation and any other factors it may deem appropriate and relevant, the Board will then make a determination regarding the director's resignation within ninety days of the certification of the election results and publicly disclose its determination.

Proposal 2: The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast "for" the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against that matter.

Proposal 3: The advisory vote to approve the compensation of our named executive officers requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. Similar to the vote to ratify the appointment of our independent registered public accounting firm, abstentions will also have the effect of a vote against approval of the compensation of our named executive officers. Broker non-votes will have no effect on this item.

Q: *What does it mean if I receive more than one proxy or voting instruction card?*

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: *Who will count the vote?*

A: A representative of Broadridge Financial Solutions, Inc. ("Broadridge") will tabulate the votes and act as the inspector of election.

Q: *Can I revoke my proxy or change my vote?*

A: Yes. You may revoke your proxy or change your voting instructions at any time prior to the vote at the Annual Meeting by:

- providing written notice to the corporate secretary of the Company;
- delivering a valid, later-dated proxy or a later-dated vote on the internet or by telephone; or
- attending the virtual Annual Meeting and voting online at www.virtualshareholdermeeting.com/BKU2022

Please note that your attendance at the virtual Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. Shares held in street name may be voted by you at

the virtual Annual Meeting only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: *Who will bear the cost of soliciting votes for the Annual Meeting?*

A: The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its transfer agent, brokerage firms and other persons representing beneficial owners of shares of BankUnited, Inc.'s common stock for their expenses in forwarding solicitation material to such beneficial owners. We have also retained Innisfree M&A Incorporated to assist in the solicitation of proxies at an anticipated approximate cost of \$10,000 plus reasonable out-of-pocket expenses. Shareholders can contact Innisfree M&A Incorporated at 888-750-5834 to answer any questions they may have regarding voting.

Q: *I share an address with another shareholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?*

A: The Company has adopted a procedure called "householding," which the SEC has approved. Under this procedure, we deliver a single copy of this Proxy Statement and the Annual Report to multiple shareholders who share the same address unless we received contrary instructions from one or more of the shareholders. This procedure reduces the Company's printing costs, mailing costs and fees. Shareholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, a separate copy of this Proxy Statement and the Annual Report will be promptly delivered to any shareholder at a shared address to which the Company delivered a single copy of any of these documents. To receive a separate copy of this Proxy Statement or the Annual Report, or to receive a separate copy of our proxy materials in the future, shareholders may write or call the Company at the following address and telephone number:

BankUnited, Inc.
Attn: Investor Relations
14817 Oak Lane
Miami Lakes, FL 33016
(305) 231-6400

Shareholders who hold shares in street name (as described above) may contact their broker, bank or other nominee to request information about householding. Shareholders sharing an address can request delivery of a single copy of our proxy materials if they are currently receiving multiple copies by following the same procedures outlined above.

Q: *How can I obtain a copy of BankUnited, Inc.'s Annual Report on Form 10-K?*

A: Copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2021, as filed with the SEC, are available to shareholders free of charge on BankUnited, Inc.'s website at <https://ir.bankunited.com> or by writing to BankUnited, Inc., Attn: Investor Relations, 14817 Oak Lane, Miami Lakes, FL 33016.
