PROXY STATEMENT

The Board of Directors (the "Board of Directors" or "Board") of BankUnited, Inc. (the "Company," "we," "us" or "our") is soliciting your proxy to vote at the 2013 Annual Meeting of Stockholders to be held on Thursday, May 23, 2013, at 12:00 p.m., Eastern Time, and at any adjournment or postponement of that meeting (the "Annual Meeting"). The Annual Meeting will be held at The Heritage Center, 345 Park Avenue, New York, NY 10154. This Proxy Statement and the accompanying proxy card, Notice of Annual Meeting of Stockholders and the 2012 Annual Report to Stockholders (the "Annual Report") were first mailed on or about April 25, 2013, to stockholders of record as of April 18, 2013 (the "Record Date").

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: *Why am I receiving these materials?*

A: We are providing these proxy materials to you in connection with the solicitation, by the Board of Directors of BankUnited, Inc., of proxies to be voted at the Company's Annual Meeting. You are receiving this Proxy Statement because you were a BankUnited, Inc. stockholder as of the close of business on the Record Date. This Proxy Statement provides notice of the Annual Meeting, describes the three proposals presented for stockholder action and includes information required to be disclosed to stockholders.

Q: *How do I get electronic access to the proxy materials?*

This Proxy Statement and the Company's Annual Report to Stockholders are available on our website at <http://ir.bankunited.com>. If you are a stockholder of record, you may elect to receive future annual reports or proxy statements electronically by registering your email address at www.proxyvote.com. If you hold your shares in street name, you should contact your broker, bank or other nominee for information regarding electronic delivery of proxy materials.

An election to receive proxy materials electronically will remain in effect for all future annual meetings unless revoked. Stockholders requesting electronic delivery may incur costs, such as telephone and internet access charges, that must be borne by the stockholder.

Q: *What proposals will be voted on at the Annual Meeting?*

A: There are three proposals scheduled to be voted on at the Annual Meeting:

- To elect ten directors identified in this Proxy Statement to the Board of Directors to serve until the next annual meeting of stockholders or until that person's successor is duly elected and qualified;
- To ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2013; and
- To approve the BankUnited, Inc. Annual Incentive Plan, including for purposes of satisfying the stockholder approval requirement of Section 162(m) of the Internal Revenue Code of 1986, as amended.

Q: What is the Board of Directors' voting recommendation?

A: The Company's Board of Directors recommends that you vote your shares:

- "FOR" each of the nominees to the Board of Directors;
- "FOR" the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2013; and
- "FOR" the approval of the BankUnited, Inc. Annual Incentive Plan, including for purposes of satisfying the stockholder approval requirement of Section 162(m) of the Internal Revenue Code of 1986, as amended.

Q: Who is entitled to vote?

A: All shares owned by you as of the Record Date, which is the close of business on April 18, 2013, may be voted by you. You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are:

- held directly in your name as the stockholder of record; and
- held for you as the beneficial owner through a broker, bank or other nominee.

On the Record Date, BankUnited, Inc. had approximately 100,452,185 shares of common stock issued and outstanding.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to certain officers of BankUnited, Inc. or to vote in person at the Annual Meeting. The Company has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Beneficial Owner. If your shares are held in an account by a broker, bank or other nominee, like many of our stockholders, you are considered the beneficial owner of shares held in street name, and these proxy materials were forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that is the stockholder of record of your shares giving you the right to vote the shares at the Annual Meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Q: *How can I vote my shares in person at the Annual Meeting?*

A: Stockholder of Record. Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you choose to vote your shares in person at the Annual Meeting, please bring proof of identification. Even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

Beneficial Owner. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: *What must I do if I want to attend the Annual Meeting in person?*

A: Attendance at the Annual Meeting is limited to individuals who were stockholders as of the Record Date, and admission will be on a first-come, first-served basis. Registration and seating will begin at 11:30 a.m., Eastern Time. Each stockholder will be asked to present proof of identification, such as a driver's license or passport, prior to admission to the Annual Meeting. Beneficial owners of shares held in street name will need to bring proof of share ownership as of the record date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Q: *How can I vote my shares without attending the Annual Meeting?*

A: Whether you hold your shares directly as the stockholder of record or beneficially own your shares in street name, you may direct your vote without attending the Annual Meeting by voting in one of the following manners:

- **Internet.** Go to the website listed on your proxy card or voting instruction card and follow the instructions there. You will need the control number included on your proxy card or voting instruction form;
- **Telephone.** Dial the number listed on your proxy card or your voting instruction form. You will need the control number included on your proxy card or voting instruction form; or
- **Mail.** Complete and sign your proxy card or voting instruction card and mail it using the enclosed, prepaid envelope.

If you vote on the internet or by telephone, you do not need to return your proxy card or voting instruction card. Internet and telephone voting for stockholders will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 22, 2013.

Q: *What is the quorum requirement for the Annual Meeting?*

A: A quorum is necessary to hold a valid Annual Meeting. A quorum exists if the holders of a majority of the Company's capital stock issued and outstanding and entitled to vote thereat are present in person or represented by proxy. Abstentions and broker non-votes are counted as present for determining whether a quorum exists. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

Q: *What happens if I do not give specific voting instructions?*

A: Stockholder of Record. If you are a stockholder of record and you submit a signed proxy card or submit your proxy by telephone or the internet, but do not specify how you want to vote your

shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations of the Board of Directors on all matters presented in this Proxy Statement. With respect to any other matters properly presented for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

Beneficial Owners. If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of the New York Stock Exchange (the "NYSE"), the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters such as the election of directors. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." Therefore, we urge you to give voting instructions to your broker. Shares represented by such broker non-votes will be counted in determining whether there is a quorum. Because broker non-votes are not considered entitled to vote, they will have no effect on the outcome other than reducing the number of shares present in person or by proxy and entitled to vote from which a majority is calculated.

Q: *Which proposals are considered "routine" or "non-routine"?*

A: The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2013 (Proposal No. 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of directors (Proposal No. 1) and the vote to approve the BankUnited, Inc. Annual Incentive Plan (Proposal No. 3) are matters considered non-routine under applicable rules. A broker, bank or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal Nos. 1 and 3.

Q: *What is the voting requirement to approve each of the proposals?*

A: Ten directors have been nominated for election at the Annual Meeting. Each director will be elected by a plurality of the votes cast in the election of directors at the Annual Meeting, either in person or represented by properly authorized proxy. This means that the ten nominees who receive the largest number of "FOR" votes cast will be elected as directors. Stockholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes will have no effect on this proposal.

The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast "for" the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against that matter.

The approval of the BankUnited, Inc. Annual Incentive Plan requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the approval of the BankUnited, Inc. Annual Incentive Plan will not be voted, although it will be counted for purposes of determining

whether there is a quorum. Since abstentions will not be votes cast "for" the approval of the BankUnited, Inc. Annual Incentive Plan, they will have the same effect as negative votes or votes against that matter. Broker non-votes will have no effect on this proposal.

Q: *What does it mean if I receive more than one proxy or voting instruction card?*

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: *Who will count the vote?*

A: A representative of Broadridge Financial Solutions, Inc. ("Broadridge") will tabulate the votes and act as the inspector of election.

Q: *Can I revoke my proxy or change my vote?*

A: Yes. You may revoke your proxy or change your voting instructions at any time prior to the vote at the Annual Meeting by:

- providing written notice to the corporate secretary of the Company;
- delivering a valid, later-dated proxy or a later-dated vote on the internet or by telephone; or
- attending the Annual Meeting and voting in person.

Please note that your attendance at the Annual Meeting in person will not cause your previously granted proxy to be revoked unless you specifically so request. Shares held in street name may be voted in person by you at the Annual Meeting only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: *Who will bear the cost of soliciting votes for the Annual Meeting?*

A: BankUnited, Inc. will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its transfer agent, brokerage firms and other persons representing beneficial owners of shares of BankUnited, Inc.'s common stock for their expenses in forwarding solicitation material to such beneficial owners. We have also retained Innisfree M&A Incorporated to assist in the solicitation of proxies at an anticipated approximate cost of \$10,000 plus reasonable out-of-pocket expenses.

Q: *I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?*

A: The Company has adopted a procedure called "householding," which the Securities and Exchange Commission (the "SEC") has approved. Under this procedure, we deliver a single copy of this Proxy Statement and the Annual Report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces the Company's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, a separate copy of this Proxy Statement and the Annual Report will be promptly delivered to any stockholder at a shared address to which the Company delivered a single copy of any of these documents. To receive a separate copy of this Proxy Statement or the Annual Report,

or to receive a separate copy of our proxy materials in the future, stockholders may write or call the Company at the following address and telephone number:

BankUnited, Inc.
Attn: Investor Relations
14817 Oak Lane
Miami Lakes, FL 33016
(305) 231-6400

Stockholders who hold shares in street name (as described above) may contact their broker, bank or other nominee to request information about householding. Stockholders sharing an address can request delivery of a single copy of our proxy materials if they are currently receiving multiple copies by following the same procedures outlined above.

Q: *Is my vote confidential?*

A: Yes. The Company encourages stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. The Company has designated Broadridge to receive and tabulate stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed to the Company or any of its officers or employees except (i) where disclosure is required by applicable law, (ii) where disclosure of your vote is expressly requested by you or (iii) where the Company concludes in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced at the Annual Meeting.

Q: *How can I obtain a copy of BankUnited, Inc.'s Annual Report on Form 10-K?*

A: **Copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2012, as filed with the SEC, are available to stockholders free of charge on BankUnited, Inc.'s website at <http://ir.bankunited.com> or by writing to BankUnited, Inc., Investor Relations, 14817 Oak Lane, Miami Lakes, FL 33016.** The Company's 2012 Annual Report to Stockholders, which includes such Form 10-K, accompanies this Proxy Statement.

Q: *Where can I find the voting results of the Annual Meeting?*

A: BankUnited, Inc. will announce preliminary voting results at the Annual Meeting and publish preliminary, or final results if available, in a Current Report on Form 8-K within four business days of the Annual Meeting.

PROPOSALS TO BE VOTED ON BY BANKUNITED, INC. STOCKHOLDERS

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Directors Elected Annually

Our Board of Directors is currently comprised of ten members. The size of the Board of Directors may be fixed from time to time exclusively by our Board of Directors as provided in our Certificate of Incorporation. BankUnited, Inc.'s directors are elected each year by the stockholders at the Company's annual meeting. We do not have a staggered or classified board. Ten directors will be elected at this year's Annual Meeting. Except for Michael J. Dowling, who is a new director nominee recommended by a non-management director, all of the nominees were elected to the Board of Directors at the last annual meeting. Richard LeFrak is not standing for reelection. Each director's term will last until the 2014 annual meeting of stockholders and until such director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal.

Board Nominations

Six of our directors are nominated pursuant to a director nomination agreement, as amended and restated on February 29, 2012 (the "Director Nomination Agreement"), by and among the Company, John A. Kanas and certain funds affiliated with The Blackstone Group ("Blackstone"), The Carlyle Group ("Carlyle"), Centerbridge Partners, L.P. ("Centerbridge") and WL Ross & Co. LLC ("WL Ross"), whom we refer to as our Sponsors. The Director Nomination Agreement provides for the rights of our Sponsors and Mr. Kanas to nominate individuals to our Board of Directors. Pursuant to the agreement, the Sponsors and Mr. Kanas have the right to nominate individuals to our Board of Directors at each meeting of stockholders where directors are to be elected, and subject to limited exceptions, we will include in the slate of nominees recommended to our stockholders for election as directors the number of individuals designated by the Sponsors and Mr. Kanas as follows:

- so long as Blackstone owns more than 40% of the common stock owned by Blackstone immediately prior to the consummation of our initial public offering in January 2011 (the "IPO"), one individual nominated by Blackstone;
- so long as Carlyle owns more than 40% of the common stock owned by Carlyle immediately prior to the consummation of the IPO, one individual nominated by Carlyle;
- so long as WL Ross owns more than 40% of the common stock owned by WL Ross immediately prior to the consummation of the IPO, one individual nominated by WL Ross;
- so long as Centerbridge owns more than 40% of the common stock owned by Centerbridge immediately prior to the consummation of the IPO, one individual nominated by Centerbridge; and
- so long as Mr. Kanas is our Chief Executive Officer ("CEO"), two individuals (one of which will be Mr. Kanas) nominated by Mr. Kanas.

In addition, each of Blackstone, Carlyle, WL Ross and Centerbridge has the right to appoint one non-voting observer to attend all meetings of our Board of Directors until such time as such Sponsor ceases to own 5% of our outstanding common stock.

Blackstone's nominee to our Board of Directors is Chinh E. Chu; Carlyle's nominee is P. Olivier Sarkozy; WL Ross' nominee is Wilbur L. Ross, Jr.; and Centerbridge's nominee is Lance N. West. Mr. Kanas has nominated himself and John Bohlsen.

Board candidates are also selected based upon various criteria including their character and reputation, relevant business experience and acumen and relevant educational background. The Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for Board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings, and the Company's annual meetings of stockholders.

Information Regarding the Nominees for Election to the Board of Directors

Qualifications

In considering candidates for the Board of Directors, the Nominating and Corporate Governance Committee takes into consideration the Company's Corporate Governance Guidelines and all other factors deemed appropriate by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee's determination is made based primarily on the following criteria: (i) a candidate's special skills, expertise and background that would enhance or complement the mix of the existing directors, (ii) a candidate's reputation and prominence in his or her business, professional activities or community, including a well-known reputation for addressing important issues that the Company may face, (iii) a candidate's commitment to high ethical business standards and integrity and (iv) a candidate's time commitment and willingness to fully participate in the Board's affairs and perform his or her duties to the highest standards. For more information about the nominating process, see "Board of Directors, Executive Officers and Corporate Governance—Director Nominating Process and Diversity."

Set forth below is biographical information concerning each nominee who is standing for election at the Annual Meeting. Following the biographical information for each nominee is a description of such nominee's specific experience, qualifications, attributes and skills that the Nominating and Corporate Governance Committee and the Board of Directors considered in determining whether to recommend the nominee for election to the Board of Directors. In addition to the information presented below, the Company believes that a board comprised of its nominees constitutes a board with a reputation for integrity, strong business acumen and the exercise of sound judgment; a board that is strong in its collective knowledge and leadership abilities; and a board that has a diversity of viewpoints and backgrounds. The ages of the nominees are as of the date of the Annual Meeting, May 23, 2013.

John A. Kanas, 66, has served on our Board since its inception in May 2009. He has also served as our Chairman, President and CEO since May 2009. Mr. Kanas served as the Chairman of our Executive Committee up until the time the Committee was eliminated in February 2012 as part of the Company's conversion to a bank holding company. Prior to joining BankUnited, Inc., Mr. Kanas was President and CEO of North Fork Bancorporation, Inc. from 1977 until its acquisition by Capital One Financial Corporation in December 2006, at which time North Fork was one of the top 25 bank holding companies in the United States. He also served as Chairman of North Fork from 1986 to 2006. In December 2006, he became President of Capital One's banking segment, which included North Fork, the former Hibernia Bank in Louisiana and Texas and Capital One Direct Bank in Richmond, Virginia. Mr. Kanas retired from that position in August 2007. Between August 2007 and May 2009, Mr. Kanas was an independent consultant. Mr. Kanas holds a B.A. degree from Long Island University. BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Role of Board of Directors

The Company's business and affairs are managed under the direction of the Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved to the Company's stockholders. The Board of Directors' mission is to maximize long-term stockholder value. The Board of Directors establishes the Company's overall corporate policies, evaluates the Company's CEO and the senior leadership team and acts as an advisor and counselor to senior management. The Board of Directors also oversees the Company's business strategy and planning, as well as the performance of management in executing the Company's business strategy, assessing and managing risks and managing the Company's day-to-day operations.

Director Independence

Under the NYSE listing standards, in order to consider a director independent, the Board of Directors must affirmatively determine that he or she has no material relationship with BankUnited, Inc. The standards specify the criteria for determining whether directors are independent and contain guidelines for directors and their immediate family members with respect to employment or affiliation with BankUnited, Inc. or its independent registered public accounting firm. In addition to the NYSE's standards for independence, the Board of Directors has adopted additional independence standards to assist it in making independence determinations. The Company's Director Independence Standards contain the formal director qualification and independence standards adopted by the Board of Directors, and are available as part of the Company's Corporate Governance Guidelines on the Company's Web site at <http://ir.bankunited.com>.

The Board undertook its annual review of director independence in April 2013. As a result of this review, the Board affirmatively determined that all of the directors are independent of the Company and its management under the corporate governance standards of the NYSE, with the exception of John A. Kanas and John Bohlsen. Each is considered not independent because of his employment as a senior executive of the Company.

In April 2013, the Board affirmatively determined that Mr. Dowling is independent of the Company and its management under the corporate governance standards of the NYSE.

Board of Directors Meetings and Attendance

The Board of Directors held 11 meetings during 2012 and acted by written consent five times. All of the directors attended at least 75% of the total of all the meetings of the Board of Directors and Board committees on which they served during 2012.

Board Leadership Structure

The Board of Directors believes that having a combined Chairman/CEO, a Lead Independent Director, a majority of independent directors and independent key board committees provides an effective and appropriate leadership structure for the Company.

The Company's Corporate Governance Guidelines provide that the Board of Directors will select its Chairman and the Company's CEO in the manner it considers in the best interests of the Company at any given point in time. At this time, the Board of Directors combines the role of Chairman of the Board of Directors and the Company's CEO. The Board of Directors believes that combining the roles of Chairman and CEO fosters unified leadership and direction for the Board of Directors and executive management and allows for alignment and clear accountability in the development and execution of the Company's strategic initiatives and business plans. Mr. Kanas is the director most familiar with the Company's business and industry, and by serving in these dual capacities, he is best

situated to effectively identify strategic priorities and lead discussions on key business issues that impact all of the Company's stakeholders. The Board of Directors also considered Mr. Kanas' prior history and performance in serving in these dual capacities and believes that Mr. Kanas has provided effective leadership and guidance in the pursuit of the Company's strategic objectives during his tenure as the Company's Chairman and CEO.

The Company's Lead Independent Director is appointed by the Board of Directors. The current Lead Independent Director is Mr. DeMark, and he has served in this position since November 2012. The Lead Independent Director's role and duties include, but are not limited to: presiding over regularly scheduled executive sessions of the non-management directors, serving as a liaison between the non-management directors and executive management and assisting the Board of Directors and executive management to ensure compliance with the Company's Corporate Governance Guidelines.

Further enhancing the overall independent functioning of the Board of Directors is the fact that the Board of Directors is comprised of over a two-thirds majority of independent directors. The independent directors also review Mr. Kanas' performance in his dual capacities of Chairman and CEO. In addition, the Company's governance structure is strengthened by virtue of each of its Nominating and Corporate Governance, Compensation and Audit and Risk committees consisting entirely of independent directors. These committees provide additional independent oversight of management.

Through the Company's overall governance structure, the Board of Directors believes it has effectively balanced the need for strategic leadership by the Company's Chairman and CEO with the oversight and objectivity of the independent directors, and has created an effective and appropriate leadership structure that is conducive to the risk oversight process. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate and in the best interests of the Company. Accordingly, the Board of Directors has the discretion to modify its leadership structure in the future if it deems it in the best interests of the Company to do so.

Committees of the Board of Directors

The Board of Directors maintains three standing committees: the Audit and Risk Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. A description of each Board committee is set forth below.

Audit and Risk Committee

The Audit and Risk Committee was formerly referred to as the "Audit Committee" until its name was changed and its risk oversight functions were expanded in February 2013. The former Audit Committee held 10 meetings in 2012.

The Audit and Risk Committee is a separately-designated standing Audit and Risk Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Our Audit and Risk Committee assists our Board of Directors in its oversight of (i) the integrity of our financial statements and the financial reporting process, including the system of disclosure controls; (ii) our compliance with legal and regulatory requirements; (iii) the performance of our internal audit function and our independent registered public accounting firm, including its appointment, qualifications, compensation and independence; (iv) the effectiveness of our systems of internal controls and policies and procedures for risk assessment and risk management; and (v) the effectiveness our procedures for risk assessment and risk management of material credit, interest rate, liquidity, operational, legal and compliance, and other material risks, and the adequacy of capital available to absorb such risks.

In carrying out its oversight role, the Audit and Risk Committee, among other things: (i) reviews the audit plans and findings of our independent registered public accounting firm and our internal audit team, as well as the results of regulatory examinations, and tracks management's corrective action plans where necessary; (ii) reviews our financial statements, including any significant financial items and changes in accounting policies, with our senior management and independent registered public accounting firm; (iii) reviews our financial risk and control procedures, compliance programs and significant tax, legal and regulatory matters; and (iv) reviews our policies and practices with respect to the assessment and management of material categories of risk. In addition, the Audit and Risk Committee has the sole discretion to appoint annually our independent registered public accounting firm, evaluate its independence and performance and set clear hiring policies for employees or former employees of the independent registered public accounting firm.

The current members of the Audit and Risk Committee are Messrs. DeMark (Chairman) and O'Brien and Ambassador Cobb, each of whom the Board of Directors has determined qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC and the NYSE. Mr. LeFrak resigned from the committee on May 9, 2012 and Mr. O'Brien joined the committee as of the same date. All of the members of the Audit and Risk Committee are financially literate and have accounting or related financial management expertise within the meaning of the NYSE rules. The Board also has determined that Mr. DeMark qualifies as an "audit committee financial expert" as defined by SEC rules. Mr. DeMark's relevant experience includes 40 years with KPMG LLP, including 30 years as a partner. Mr. Demark holds a B.B.A. degree from Hofstra University, is a Certified Public Accountant and is a member of the American Institute of Certified Public Accountants (AICPA) and the New York State Society of Certified Public Accountants.

Compensation Committee

Since our inception, in accordance with the terms of its charter, our Compensation Committee has been responsible for such matters as the determination of discretionary bonus amounts, if any, to be paid to our named executive officers and the implementation of the BankUnited, Inc. 2009 Stock Option Plan and the 2010 Omnibus Equity Incentive Plan, including the determination of grant amounts, vesting terms and exercise prices, as well as approval of the Employment Agreements (as defined in "Compensation Discussion and Analysis") and the BankUnited, Inc. Annual Incentive Plan (the "Annual Incentive Plan"). In addition, our Compensation Committee was responsible for vetting and approving our 401(k) plan and Nonqualified Deferred Compensation Plan. The Compensation Committee reviews and approves corporate goals and objectives relevant to compensation of our CEO and other executive officers, evaluates the performance of these officers in light of those goals and objectives and recommends the compensation of these officers based on such evaluations. The Compensation Committee also administers the issuance of stock options and other awards under our stock plans.

In July 2012, our Compensation Committee engaged Pearl Meyer & Partners ("Pearl Meyer"), to serve as its independent compensation consultant. More information on the engagement and independence of Pearl Meyer appears in "Compensation Discussion and Analysis."

The Compensation Committee held seven meetings and acted by written consent once during 2012. The Compensation Committee is currently comprised of Messrs. LeFrak (Chairman), DeMark and O'Brien and Ambassador Cobb, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC and the NYSE.

Given Mr. LeFrak's decision to not stand for reelection, the Board of Directors expects to appoint Mr. Dowling as Chairman of the Compensation Committee upon his election to the Board of Directors. The Board of Directors has determined that Mr. Dowling will, when elected, qualify as an independent director as defined under the applicable rules and regulations of the SEC and the NYSE.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for making recommendations to our Board of Directors regarding candidates for directorships and the size and composition of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to our Board of Directors concerning governance matters.

The Nominating and Corporate Governance Committee, in consultation with our CEO, also reviews the Company's management succession plans to ensure that an effective succession process is in place and to discuss potential internal successors for both emergency and long-term executive succession. The succession planning activities of the Nominating and Corporate Governance Committee and the Compensation Committee are discussed with the full Board of Directors.

The Nominating and Corporate Governance Committee held two meetings during 2012. The Nominating and Corporate Governance Committee is currently comprised of Ambassador Cobb (Chairman) and Messrs. DeMark and LeFrak, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC and the NYSE.

Given Mr. LeFrak's decision to not stand for reelection, the Board of Directors expects to appoint Mr. Dowling as a member of the Nominating and Corporate Governance Committee upon his election to the Board of Directors. The Board of Directors has determined that Mr. Dowling will, when elected, qualify as an independent director as defined under the applicable rules and regulations of the SEC and the NYSE.

Copies of the charters of the Audit and Risk Committee, Compensation Committee and Nominating and Corporate Governance Committee are available on our website at <http://ir.bankunited.com> and may also be obtained upon request without charge by writing to the Corporate Secretary, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016.

Risk Management and Oversight

Our Board of Directors oversees our risk management process, including the company-wide approach to risk management, carried out by our management. Our full Board of Directors determines the appropriate levels of risk for the Company generally, assesses the specific risks faced by us and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas.

In particular, the Audit and Risk Committee plays a key role in the Board of Directors' exercise of its risk oversight function. The Audit and Risk Committee is primarily responsible for overseeing matters involving the Company's financial and operational risks, and the guidelines, policies and processes for managing such risks, including internal controls. The Audit and Risk Committee conducts its risk oversight in a variety of ways, including reviewing management's assessment of the Company's internal control over financial reporting, reviewing the results of regulatory examinations and receiving quarterly reports on legal and regulatory matters. Additionally, the Company's independent registered public accounting firm regularly discusses risks and related mitigation measures that may arise during its regular reviews of the Company's financial statements with the Audit and Risk Committee. To ensure candid and complete reporting, the Audit and Risk Committee regularly meets in separate executive sessions with management, the head of the Company's internal audit department and the Company's independent registered public accounting firm.

Additionally, our Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, as well as the incentives created by the compensation awards it administers, and our Nominating and Corporate Governance Committee is

responsible for overseeing the management of risks associated with the independence of our Board. Pursuant to our Board's instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board and its committees.

Corporate Governance Guidelines, Code of Conduct and Code of Ethics

Our Board has adopted Corporate Governance Guidelines, which set forth a flexible framework within which our Board, assisted by Board committees, directs the affairs of the Company. The Corporate Governance Guidelines address, among other things, the composition and functions of the Board, director independence, compensation of directors, management succession and review, Board committees and selection of new directors.

We also have a Code of Conduct, which is applicable to all directors, officers, employees, agents (including consultants and contractors) and temporary personnel of the Company. We have a separate Code of Ethics for Principal Executive and Senior Financial Officers, which contains provisions specifically applicable to our principal executive officer, principal financial officer, principal accounting officer and controller (or persons performing similar functions).

The Corporate Governance Guidelines, the Code of Conduct and the Code of Ethics for Principal Executive and Senior Financial Officers are available on our website at <http://ir.bankunited.com>. We expect that any amendments to these codes, or any waivers of their requirements, will be disclosed on our website.

Director Compensation

We use a combination of cash and stock-based incentive compensation to attract and retain independent, qualified candidates to serve on the Board of Directors. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties, as well as the skill level we require of members of our Board of Directors.

The following table shows compensation paid, earned or awarded to each of the non-employee members of our Board for 2012.

Director Expenses

The Company also reimburses expenses incurred by directors to attend Board and committee meetings, educational seminars and other expenses directly related to the Company's business.

Director Nominating Process and Diversity

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for Board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including stockholders, as it deems appropriate.

The Nominating and Corporate Governance Committee and the Board of Directors believe that diversity along multiple dimensions, including opinions, skills, perspectives, personal and professional experiences and other differentiating characteristics, is an important element of nomination for Board membership. The Nominating and Corporate Governance Committee has not identified any specific minimum qualifications which must be met for a person to be considered as a candidate for director. However, Board candidates are selected based upon various criteria including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board of Directors. Although the Board of Directors does not have a formal diversity policy, the Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings, and the Company's annual meetings of stockholders.

Candidates Nominated by Stockholders

The Nominating and Corporate Governance Committee will also consider nominees recommended by stockholders. Our Corporate Governance Guidelines provide that nominees recommended by stockholders should be given appropriate consideration in the same manner as other nominees. The notice must also include a representation that the stockholder giving the notice intends to appear in person or by proxy at the 2014 annual meeting to nominate the person named in the notice.

The Company's Amended and Restated By-Laws also require that the notice provide certain information regarding the candidate whom the Nominating Person proposes to nominate as a director, including (i) certain biographical information, such as name, age, business and residential address and principal occupation, (ii) the information that would be required to be provided if the candidate were a Nominating Person, (iii) a resume or other written statement of the qualifications of the candidate and (iv) all other information regarding the candidate, including the written consent of the candidate indicating that the candidate is willing to be named in the proxy statement as a nominee and serve as a director if elected, that would be required to be disclosed in a proxy statement or other filings made with the SEC in connection with the solicitation of proxies for director elections.

For a complete description of the procedures and disclosure requirements to be complied with by stockholders in connection with submitting director nominations, stockholders should refer to the Company's Amended and Restated By-Laws.

The Company's Corporate Governance Guidelines state that a non-management independent director shall be chosen to preside at each executive session. Compensation Committee Interlocks and Insider Participation

During 2012, our Compensation Committee consisted of Messrs. LeFrak and DeMark and Ambassador Cobb. Mr. O'Brien was nominated and appointed to the Committee in May 2012. None of them had at any time in the last fiscal year been one of our officers or employees, and none has had any relationships with our company of the type that is required to be disclosed under Item 404 of Regulation S-K.

None of our executive officers serves or has served as a member of the Board of Directors, Compensation Committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal

The Audit and Risk Committee has appointed KPMG LLP to serve as BankUnited, Inc.'s independent registered public accounting firm for its fiscal year ending December 31, 2013. The Audit and Risk Committee and the Board of Directors seek to have the stockholders ratify the Audit and Risk Committee's appointment of KPMG LLP, which has served as BankUnited, Inc.'s independent registered public accounting firm or independent auditor since 2009. Although BankUnited, Inc. is not required to seek stockholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment of KPMG LLP is not ratified by the stockholders, the Audit and Risk Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of KPMG LLP.

Representatives of KPMG LLP will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2013.

Report of the Audit and Risk Committee

The Audit and Risk Committee reviews the Company's financial reporting process on behalf of the Board of Directors. The Audit and Risk Committee consists of directors who have been determined by the Board of Directors to be independent of the Company as prescribed by the NYSE and the SEC. The Company's management has the primary responsibility for the financial statements and for the reporting process, including the establishment and maintenance of the system of internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing the financial statements prepared by management, expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles and auditing the Company's internal control over financial reporting and expressing an opinion on the effectiveness thereof. In this context, the Audit and Risk Committee has met and held discussions with management and KPMG LLP, the Company's independent registered public accounting firm, regarding the fair and complete presentation of the Company's financial statements and the assessment of the Company's internal control over financial reporting.

The Audit and Risk Committee has discussed with KPMG LLP matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T and has reviewed and discussed KPMG LLP's independence from the Company and its management. As part of that review, the Audit and Risk Committee has received the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit and Risk Committee concerning independence. The Audit and Risk Committee also has considered whether KPMG LLP's provision of non-audit services to the Company is compatible with the auditor's independence. The Audit and Risk Committee has concluded that KPMG LLP is independent from the Company and its management.

The Audit and Risk Committee meets with the Chief Financial Officer and representatives of KPMG LLP, in regular and executive sessions, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting and compliance programs.

In reliance on the reviews and discussions referred to above, the Audit and Risk Committee has recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012, for filing with the SEC.

The Audit and Risk Committee

Policy on Audit and Risk Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit and Risk Committee has adopted a policy that requires advance approval of all audit, audit related tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit and Risk Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit and Risk Committee must approve the permitted service before the independent auditor is engaged. The Audit and Risk Committee pre-approved all of the audit and non-audit services provided to the Company by KPMG LLP in fiscal year 2012.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation

The following Compensation Discussion and Analysis provides information regarding the objectives and elements of our compensation philosophy, policies and practices with respect to the compensation of the executive officers who appear in the "Summary Compensation Table for 2012" below (referred to collectively throughout this section as our "named executive officers" and with respect to our named executive officers other than Messrs. Pauls and Melby, the "Management Members"). Our named executive officers for the fiscal year ended December 31, 2012 were:

- John A. Kanas, Chairman, President and Chief Executive Officer
- Douglas J. Pauls, Chief Financial Officer
- John Bohlsen, Vice Chairman and Chief Lending Officer
- Rajinder P. Singh, Chief Operating Officer
- Randy R. Melby, Senior Executive Vice President, Chief Risk Officer of the Bank

Objectives of Our Executive Compensation Program

Our executive compensation philosophy is primarily based on pay-for-performance. Accordingly, our executive compensation programs are designed to achieve the following objectives:

- *Align the interests of our executives with those of our stockholders.* We link a meaningful portion of compensation to the achievement of our long-term goals by rewarding executive officers if and when stockholder value increases. To that end, a significant portion of the compensation awarded to our executives is in the form of equity-based compensation.
- *Retain management.* Compensation for executives is designed such that we retain them by having meaningful vesting long-term equity compensation.
- *Motivate through ownership.* We believe that the best way to inspire leadership and performance is by distributing ownership in the form of equity-based compensation throughout our ranks and requiring executive management to retain meaningful exposure to our Company's stock.

Setting Executive Compensation

Prior to August 29, 2012, our executive compensation program was largely based on arrangements that were negotiated at the time that our Company was founded. BankUnited, Inc. was organized by a management team led by the Management Members and our former Chief Financial Officer, John DiGiacomo, on April 28, 2009. At that time, the founding members of the management team directly negotiated the terms of their compensation with the investors.

On August 29, 2012, the Compensation Committee approved the amended and restated employment agreements (the "Employment Agreements") by and between each of the Management Members and the Company and by and between each of the Management Members and the Bank.

Mr. Pauls replaced our former Chief Financial Officer in 2009, and as a result, Mr. Pauls' compensation components were similar to those provided to that former Chief Financial Officer prior to his departure. The level of Mr. Pauls' compensation was negotiated by him and the Company and was ultimately subject to approval by our Board. On August 30, 2012, the Company announced the retirement of Mr. Pauls as Chief Financial Officer of the Company and the Bank, effective February 28, 2013. His retirement was not due to any disagreement with the Company on any matter related to the Company's operations, policies or practices. Following February 28, 2013, Mr. Pauls agreed to remain with the Company in a non-executive consulting capacity to assist with all matters

necessary through December 31, 2013. The Company also announced the promotion of Leslie Lunak, as of March 1, 2013, to Chief Financial Officer of the Company and the Bank.

Mr. Melby, who is not a founding member of our management team, commenced employment with the Bank on September 28, 2009 and the terms of his compensation were the product of negotiation between Mr. Melby and the Bank and subject to final approval by the Bank's Board of Directors.

Role of Compensation Committee

Since our inception, our Compensation Committee has been responsible for such matters as the determination of discretionary bonus amounts, if any, to be paid to our named executive officers, the implementation of the BankUnited, Inc. 2009 Stock Option Plan and 2010 Omnibus Equity Incentive Plan, including the determination of grant amounts, vesting terms and exercise prices of awards under such plans, as well as the approval of the Employment Agreements and the Annual Incentive Plan. In addition, our Compensation Committee was responsible for vetting and approving our 401(k) plan and Nonqualified Deferred Compensation Plan.

Role of Compensation Consultant

In July 2012, the Compensation Committee engaged Pearl Meyer, a compensation consulting firm, to provide advice with respect to executive compensation matters, including with respect to the terms and conditions of the Employment Agreements. In this regard, as directed by the Compensation Committee, the compensation consultant, among other things, assisted the Compensation Committee in reviewing the compensation program for management, provided data relating to our industry and for a representative peer group for comparison (but not specifically benchmarking) purposes and advised the Compensation Committee on best practices for executive compensation, including advising on the Employment Agreements entered into with the Management Members. The Compensation Committee believes that Pearl Meyer is able to provide independent, objective compensation advice to the Compensation Committee. Other than providing the advice and services described above, Pearl Meyer provided no other services to either the Company or the Compensation Committee during the 2012 fiscal year, and the Compensation Committee is not aware of any conflict of interest that exists that would prevent Pearl Meyer from being so independently engaged. Based on the above, the Compensation Committee assessed the independence of Pearl Meyer and concluded that no conflict of interest exists that would prevent Pearl Meyer from independently representing the Compensation Committee.

Risk Oversight

The Audit and Risk Committee of our Board, which is comprised of non-employee directors, is currently responsible for risk oversight within our Company, including with respect to compensation practices. Mr. Melby is responsible for developing an Enterprise Risk Management framework to identify, manage and mitigate risks across our Company. This framework, which involves ongoing participation and oversight by our Board, captures compensation-related risk amongst various other dimensions of risk. In addition, our Company is a bank holding company subject to ongoing supervision, examination and regulation by the Federal Reserve, including its guidance on compensation practices. We do not believe that our overall compensation policies and practices create risks that are reasonably likely to have a material adverse effect on our Company.

Executive Officer Compensation

Principal Components of Compensation of Our Named Executive Officers

The compensation package offered to our executive officers, including our named executive officers, consists of:

- *Base salary.* Base salaries for our executive officers are designed to compensate the executive for the experience, education, personal qualities and other qualifications of that individual that are essential for the specific role the executive serves within our Company, while remaining competitive with the market.
- *Performance-based annual bonuses.* Commencing in 2013 and pursuant to the terms of the Employment Agreements, each of the Management Members may be eligible to receive an annual incentive award with respect to a 12-month performance period, with the actual amount of each bonus to be based upon the achievement of performance criteria established by the Compensation Committee. Additional information regarding these annual incentive awards are described under "Employment Agreements" below. Annual incentive awards may also be paid to other named executive officers under the terms of the Annual Incentive Plan with respect to 2013 and future years.
- *Retention bonuses; discretionary cash bonuses.* As of 2012, Management Members are eligible to receive retention bonuses, subject to remaining employed through specified dates, as further described under "Employment Agreements" below. Our other named executive officers are eligible to receive discretionary cash bonuses as determined by our Board. The determination of the amounts of such discretionary bonuses has been and will continue to be determined in accordance with the Company's Policy on Incentive Compensation Arrangements, which provides that bonus amounts are to be based upon the past, present, and expected future contributions of an employee or group of employees to the overall success, safety, and soundness of the organization. Factors considered in evaluating those contributions will include, among other things: overall individual performance, organizational performance, individual contribution to organizational performance, business segment performance, and level of individual responsibilities. The Company's Policy on Incentive Compensation Arrangements is designed to balance risk and financial results in a manner that does not encourage employees to expose the Company to imprudent risks.
- *Long-term equity-based compensation.* In general, we provide a significant portion of the compensation due to our named executive officers in the form of long-term equity-based compensation. We believe that providing compensation that is contingent on our long-term performance and that is at-risk serves to align the long-term interests of our named executive officers with the long-term interests of our stockholders. To date, long-term equity-based compensation has generally been granted to our executives upon commencement of employment and/or on an annual basis thereafter. Additionally, in connection with their respective Employment Agreements, the Management Members entered into long-term equity-based compensation arrangements for retention purposes and also have an opportunity to receive performance-based long-term equity-based compensation awards.
- *Limited perquisites and other benefits.* Our executive officers, including our named executive officers, are eligible to participate in our 401(k) retirement plan and the Management Members and Mr. Pauls are also eligible to participate in our Nonqualified Deferred Compensation Plan. Messrs. Kanas, Pauls, Bohlsen, Singh and Melby receive a car allowance and, in addition, Messrs. Kanas and Bohlsen are provided with a company-paid driver.

Compensation Mix

Our current compensation package is designed to provide a strong link between the compensation of our executives and the success of our Company and our stockholders generally. The cash components—base salary and cash bonus compensation—collectively represent what we believe is appropriate pay for expected performance during the year. The equity-based compensation component is designed to encourage high performance by closely aligning an executive's pay with the interests of our stockholders. The allocation between different elements of compensation with respect to our named executive officers has been a product of individual negotiations to date. Furthermore, as discussed below, with respect to the Management Members, base salaries were reduced in 2012 and long-term cash and equity-based compensation arrangements were increased in order to promote the retention of each Management Member, as well as to tie total compensation to the long-term success of Company and align with the interests of stockholders, as opposed to guaranteeing compensation in the form of higher base salaries.

Employment Agreements

We entered into the Employment Agreements with each of the Management Members. The term of employment under each of the agreements is for three years from July 1, 2012, in the case of Messrs. Kanas and Singh, and one year from July 1, 2012, in the case of Mr. Bohlsen. Mr. Pauls' employment agreements expired on September 1, 2012, and were not renewed. Mr. Melby is not party to an employment agreement and instead his employment is subject to the terms of an offer letter and a change in control agreement, each with the Bank. The Employment Agreements and offer letter set forth the compensatory terms of each of our named executive officers' employment. For additional information regarding certain provisions of each named executive officer's employment agreement or offer letter, see "Potential Payments Upon Termination or Change-in-Control."

Base Salary

We provide each of our executive officers and other employees with a base salary to compensate them for services rendered during the year. We believe that, with respect to our named executive officers, base salary should compensate the executives for their service and performance but that superior contributions and performance should be rewarded by other forms of compensation, including long-term equity-based compensation. The base salary for each of our named executive officers was set in his employment agreement or offer letter. Under each of the Employment Agreements, the base salary of each of the Management Members was reduced effective as of September 1, 2012 as follows: Mr. Kanas—from \$2,250,000 to \$0; Mr. Bohlsen—from \$1,250,000 to \$500,000; and Mr. Singh—from \$1,000,000 to \$500,000. The base salaries of each of Mr. Pauls and Mr. Melby in 2012 did not change from their respective 2011 base salaries.

Performance-Based Annual Bonuses

Commencing in 2013 and pursuant to the terms of their respective Employment Agreements, each of the Management Members will be eligible to receive a performance-based annual bonus award for the current performance period that began on July 1, 2012 and ends on June 30, 2013. The target bonus opportunities set forth in the Employment Agreements are as follows: \$1,530,000 for Mr. Kanas and 75% of annual base salary (i.e., \$375,000) for each of Messrs. Bohlen and Singh. Actual bonus amounts will be determined by the Compensation Committee following the conclusion of the performance period, based upon the achievement of the applicable performance criteria established by the Compensation Committee. The applicable performance criteria for each Management Member include, for example, net interest margin goals as compared to industry peers, goals related to minimizing non-performing assets ratios, increasing total deposits and reducing costs of deposits, and successfully launching into specified geographical markets.

Retention and Other Cash Bonuses

Pursuant to the terms of their respective Employment Agreements, each of the Management Members earned the following cash retention awards on December 31, 2012 by remaining employed through such date: \$1,500,000 for Mr. Kanas and \$750,000 for each of Messrs. Bohlsen and Singh. The purpose of the retention bonuses is to incentivize Management Members to continue their employment with us and the Bank, and in that regard, the size of the respective bonuses were determined to provide retentive value. Messrs. Kanas and Singh are eligible to earn the same respective retention bonus amounts on each of December 31, 2013 and December 31, 2014, subject to their continued employment through such dates.

Discretionary Bonuses

On December 10, 2012, we awarded Mr. Pauls \$200,000 and Mr. Melby \$325,000 for their respective performances in the 2012 fiscal year and overall contribution to the Company. Pursuant to his offer letter, Mr. Melby is eligible to receive an annual bonus with a target bonus opportunity equal to \$300,000, due to his role as the Chief Risk Officer of the Bank and our belief that a lesser portion of his overall compensation should be in the form of equity-based compensation and, accordingly, at-risk. Consistent with the Company's Policy on Incentive Compensation Arrangements, the bonus amounts ultimately determined for Mr. Pauls and Mr. Melby were based on a subjective evaluation of such factors as their overall individual performance, organization performance, individual contribution to organizational performance, business segment performance, and/or level of individual responsibilities, and not based on the achievement of any performance goals established by the Compensation Committee in advance.

Equity-Based Compensation

Background/LLC Liquidation

The Management Members and Mr. Pauls previously held equity-based compensation in the form of profits interest units, or PIUs, in BU Financial Holdings LLC (the "LLC"), our parent company prior to the reorganizations consummated in connection with our IPO. The PIUs represented the right of the holder to share in distributions from the LLC after investors had received certain returns on their investment. In connection with the IPO, the LLC was liquidated and the Management Members received a combination of common stock (both shares not subject to vesting schedules and restricted shares that were subject to vesting schedules) and options to purchase common stock (both vested and unvested) as well as certain dividend equivalent rights, in each case, in respect of the vested and unvested PIUs that were then held by the Management Members and Mr. Pauls in the LLC. The shares issuable upon exercise of options are newly issued shares that are issued under the BankUnited, Inc. 2010 Omnibus Equity Incentive Plan. Mr. Melby did not previously hold PIUs and had instead been awarded stock options to purchase shares of our common stock under the BankUnited, Inc. 2009 Stock Option Plan.

The PIUs were divided into two equal types of profits interests. Half of the PIUs, referred to as time-based PIUs, vested with the passage of time following the grant date. The remaining half of the PIUs, referred to as IRR-based PIUs, vested immediately prior to the consummation of the IPO.

In conjunction with the IPO, the PIUs were exchanged for a combination of vested and unvested common shares and vested and unvested stock options. The equity instruments issued in exchange for PIUs included:

- 3,863,491 vested common shares
- 1,931,745 unvested common shares

- 3,023,314 vested stock options
- 1,511,656 unvested stock options

The unvested instruments corresponded to the unvested time-based PIUs and continued to vest according to the original vesting schedule of such time-based PIUs. The remainder of these instruments vested in 2012.

Dividend Equivalent Rights

In respect of the vested PIUs held by each of the Management Members and Mr. Pauls, such individual received, among other forms of equity, a dividend equivalent right entitling the holder to receive the economic benefit, for a period of ten years following the date of grant, of any dividends paid with respect to our common stock after the IPO as though such holder owned the number of shares of our common stock that would be issuable upon exercise of the vested options received by such holder.

In respect of the unvested PIUs held by each of the Management Members, such individual received, among other forms of equity, a dividend equivalent right entitling the holder to an aggregate payment from us, at the time the unvested options received by such holder vest in accordance with their terms, in an amount equal to the amount of all dividends that would have been paid in respect of such unvested options after the date of the IPO and prior to such vesting date as though such holder owned the number of shares of our common stock that would be issuable upon the vesting and exercise of such options. The last vesting of these PIUs occurred in 2012, and as such, the Management Members and Mr. Pauls have no continuing dividend equivalent rights with respect to these PIUs.

Stock Options

Although the Compensation Committee has awarded stock options to executive officers in prior years, in 2012, the Compensation Committee did not award stock options to any named executive officer as part of his long-term equity-based compensation. Should stock options be granted to named executive officers in the future, these awards will be determined following the key principles under the Company's Policy on Incentive Compensation Arrangements, including their valuable contribution to the organization, disciplined balance of risk and financial results, exceptional focus on risk management and internal controls and strong corporate governance.

Restricted Shares

On August 29, 2012, pursuant to their respective employment agreements, Mr. Kanas was granted 178,643 restricted shares, Mr. Bohlsen was granted 29,774 restricted shares, and Mr. Singh was granted 89,322 restricted shares, in each case as a retention-based equity incentive award. In the case of Messrs. Kanas and Singh, each restricted stock award vested as to one-third on December 31, 2012 by remaining employed through such date, and the remaining two-thirds of the shares subject to the awards will vest in equal portions on each of December 31, 2013 and December 31, 2014, subject to their continued employment through such dates. Additionally, each such one-third installment of restricted shares is subject to a one-year transfer restriction following vesting. In the case of Mr. Bohlsen, the restricted stock award will fully vest on June 30, 2013, subject to his continued employment through such date, and his employment term will expire on July 1, 2013.

Pursuant to his offer letter, Mr. Melby is eligible to receive grants of equity-based compensation. After a review of subjective criteria relative to Mr. Melby's performance and to provide Mr. Melby with continued long-term incentive opportunities, the Compensation Committee granted him 15,000 restricted shares on December 10, 2012 in respect of his performance in the 2012 fiscal year. The restricted shares vest in substantially equal installments on each of the first three anniversaries of the grant date, subject to Mr. Melby's continued employment with the Company through such dates. The named executive officers are entitled to receive dividend payments in respect of their restricted shares.

Performance-Based Share Awards

Commencing in 2013 and pursuant to the terms of their respective Employment Agreements, each of the Management Members will be eligible to receive an award of performance-based shares based on performance during the current performance period that began on July 1, 2012 and ends on June 30, 2013. The target award opportunities are as set forth under the Employment Agreements as follows: \$680,000 for Mr. Kanas and \$375,000 for each of Messrs. Bohlen and Singh. Actual awards have not yet been granted (under FASB ASC Topic 718 or otherwise) and will only be granted as determined by the Compensation Committee following the conclusion of the performance period, based upon the achievement of the applicable performance criteria established by the Compensation Committee, including net interest margin goals as compared to industry peers, goals related to minimizing non-performing assets ratios, increasing total deposits and reducing costs of deposits, and successfully launching into specified geographical markets. In the case of Messrs. Kanas and Singh, any awards that are granted will be vested as to one-third as of the end of the performance period (e.g., June 30, 2013) and the unvested portion of the awards will vest on each June 30 of each of the two subsequent years, subject to their continued employment through such dates. In the case of Mr. Bohlsen, his award will fully vest on June 30, 2013, subject to his continued employment through such date, and his employment term will expire on July 1, 2013.

Equity Ownership Requirements

In connection with the formation of our Company, our Management Members and Mr. Pauls were required to invest a portion of their personal assets in our Company. Mr. Kanas invested \$23,500,000, Mr. Bohlsen invested \$10,000,000 and Mr. Singh invested \$1,000,000. Mr. Pauls invested \$1,000,000 in our Company in connection with the commencement of his employment. The amounts that the Management Members and Mr. Pauls were initially required to invest varied and each executive's investment amount was in relation to his net worth. Mr. Melby joined the Bank subsequent to our formation and was not required to invest any of his personal assets in our Company.

In connection with the IPO and in exchange for the PIUs vesting described above, we adopted a policy to which the Management Members agreed relating to the minimum amount of equity securities that such Management Members must retain for so long as they are employed by us. This policy, which may be waived from time to time by the Compensation Committee, provides that so long as Mr. Kanas is CEO, he will not sell equity if, after giving effect to such sale, his retained equity (including vested and unvested equity, including options) has a value that is less than twelve times his base salary. Although Mr. Kanas' base salary was eliminated in September 2012, as of April 18, 2013, he held equity securities (including vested and unvested equity, including options) having a value greater than 27 times his base salary that was in effect immediately prior to its being eliminated. Additionally, for Messrs. Bohlsen and Singh, so long as they are employed and are named executive officers of the Company, they will not sell equity if, after giving effect to such sale, their respective retained equity (including vested and unvested equity, including options) has a value that is less than five times their respective base salaries. We believe that requiring members of our senior management to invest and maintain ownership in our Company serves to align their interests with the interests of our stockholders generally. Each of the Management Members' equity holdings far exceed our equity ownership policy guidelines.

Say on Pay

We value the opinions of our stockholders. At the 2012 annual meeting of stockholders, approximately 99% of the votes cast on the stockholder advisory vote proposal on the compensation of our named executive officers ("Say on Pay") were cast in favor of our executive compensation program. In addition, over a majority of the votes cast on the Say on Pay frequency vote proposal were in favor of holding a Say on Pay vote every three years such that there will not be a Say on Pay vote until the

2015 annual meeting of stockholders. The Compensation Committee reviewed the results of the Say on Pay vote in 2012 and did not make changes to our executive compensation program based on the outcome of the vote and decided to retain the same general approach to our program. However, as described in greater detail above, certain changes to our executive compensation program were made in 2012 in an effort to improve our compensation practices generally and to further align compensation with the interests of our stockholders and otherwise in the interests of retaining key executives, such as entering into the Employment Agreements with the Management Members, which include expiring provisions on gross-up payments for golden parachute excise taxes, eliminating possible discretionary cash bonuses in favor of performance-based cash incentives for the Management Members, and eliminating certain time-based equity incentive awards in favor of performance-based equity incentives for the Management Members.

Tax and Accounting Implications

Transition provisions under Section 162(m) of the Internal Revenue Code of 1986, as amended, may apply for a period of three years following the consummation of the IPO to certain compensation arrangements that were entered into by a corporation before it was publicly held.

Nonqualified Deferred Compensation

The Management Members and Mr. Pauls are eligible to participate in our Nonqualified Deferred Compensation Plan, which allows each executive the ability to defer compensation in excess of annual IRS limits that are applicable to our qualified 401(k) plan. Mr. Melby does not participate in our Nonqualified Deferred Compensation Plan. Each Management Member and Mr. Pauls is also eligible to receive company matching contributions under the plan. For the 2012 plan year, we contributed an amount equal to one hundred percent of the first one percent plus seventy percent of the next five percent of eligible compensation that the executive elects to defer under the plan. Amounts deferred by the executive are vested at all times and amounts that we contribute on his behalf will become vested upon the earlier to occur of a change in control (as defined in the plan), the executive's death, disability, attainment of "Normal Retirement Age" under our 401(k) plan or completion of two years of service. Amounts deferred under our Nonqualified Deferred Compensation Plan are distributed upon a date specified by the executive, which may be no earlier than January 1 of the third plan year following the plan year in which the compensation would have otherwise been paid to the executive, or upon the earliest to occur of the executive's separation from service, disability or a change in control.

- (1) The amount of each named executive officer's contribution, if any, to the Nonqualified Deferred Compensation Plan is otherwise reflected as compensation earned in 2012 in the "Summary Compensation Table for 2012."
- (2) Amounts reflect our contributions, if any, to the Nonqualified Deferred Compensation Plan for the applicable named executive officer. These amounts are also reported in the "All Other Compensation" column of "Summary Compensation Table for 2012."

Potential Payments Upon Termination or Change-in-Control

The Employment Agreements provide for severance payments and benefits, to the extent applicable, in the event of a termination of employment. Mr. Pauls' employment agreements expired on September 1, 2012, and therefore, he is not entitled to severance payments or benefits in the event of a termination of his employment. Mr. Melby is entitled to certain severance payments under the terms of his change in control agreement with the Bank; however, Mr. Melby is not entitled to severance payments or benefits under the terms of his offer letter with the Bank.

Each of the Employment Agreements provide that in the event of an executive's termination of employment by either the Bank or the Company without Cause (as defined in the respective agreements) or by the Executive for Good Reason (as defined in the respective agreements), such executive will be entitled to receive, subject to the executive's execution of a release of claims against the Bank or the Company, as applicable, payment of any unpaid retention awards, the accelerated vesting of equity awards (subject to certain exceptions), continued coverage under the employer's group health plans at the employer's expense for 24 months, as well as a payment equal to the following: \$1,530,000 and \$1,530,000 under Mr. Kanas' Employment Agreements with the Bank and the Company, respectively; \$1,312,500 and \$437,500 under Mr. Singh's Employment Agreements with the Bank and the Company, respectively; and \$1,487,500 and \$262,500 under Mr. Bohlsen's Employment Agreements with the Bank and the Company, respectively.

Each of the Employment Agreements with the Bank provide that in the event that on or prior to August 31, 2013 (prior to the expiration of the employment term, in the case of Mr. Bohlsen), it is publicly announced that a binding agreement has been entered into by the Bank and/or the Company with respect to a transaction that, if consummated, would constitute a change in control transaction giving rise to payments and benefits that trigger excise taxes under Section 4999 of the Internal Revenue Code, the Bank will reimburse executive for any such excise taxes and for the taxes imposed on such reimbursement amount, as well as for certain related costs incurred by Executive. After August 31, 2013, such excise tax reimbursement obligation will expire and have no continued effect.

Each of the Management Members are subject to confidentiality and non-disparagement obligations under the Employment Agreements, as well as non-competition and non-solicitation covenants for a period of 18 months following a termination of employment by the Company for Cause or following Management Member's voluntary resignation without Good Reason.

The Employment Agreements are subject to regulatory laws to the extent applicable.

In the event of a change in control (as defined in the Company's 2010 Omnibus Equity Incentive Plan), all outstanding awards held by the named executive officers that are then unvested would be subject to accelerated vesting, and any performance-based shares to be prospectively awarded with respect to a pending performance period would be granted and vested at target levels. Furthermore, under the terms of his change in control agreement, Mr. Melby would be entitled to a payment in the amount equal to one year of his base salary, payable on the date that is six months following completion of a change in control.

Pursuant to the Employment Agreements, in the event of death or disability, the portion of the outstanding equity award which would have vested in the 12 months immediately following the Management Member's death or disability will vest. Furthermore, each Management Member and his dependents are generally entitled to receive continued coverage under the group health plans of the Bank or the Company, as applicable, at the sole expense of the Bank or the Company, as applicable, for 24 months following his disability or death.

The following table provides information concerning the estimated payments and benefits that would be provided in the circumstances described above for each of the named executive officers, which were estimated assuming that the triggering event took place on the last business day of the fiscal year (December 31, 2012) and calculated using the closing price per share of our common stock on such date (\$24.44), and also assumes a cash-out of equity awards in connection with a change in control.

In connection with the IPO, the Company adopted the 2010 Plan. The 2010 Plan is administered by the Board or a committee thereof and provides for the grant of non-qualified stock options, share appreciation rights, restricted shares, deferred shares, performance shares, unrestricted shares and other share-based awards to selected employees, directors or independent contractors of the Company and its affiliates. The number of shares of common stock authorized for award under the 2010 Plan is 7,500,000, of which 1,172,566 shares remain available for issuance as of December 31, 2012. Shares of common stock delivered under the 2010 Plan may consist of authorized but unissued shares or previously issued shares reacquired by the Company. Unvested awards generally become fully vested in the event of a change in control (as defined in the 2010 Plan).

PROPOSAL NO. 3

APPROVAL OF THE BANKUNITED, INC. ANNUAL INCENTIVE PLAN

In April 2013, the Board of Directors approved the BankUnited, Inc. Annual Incentive Plan (the "Incentive Plan"), subject to approval by our stockholders, pursuant to which certain annual bonus awards are intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)").

Generally, Section 162(m) does not permit a tax deduction for compensation in excess of \$1 million paid in any taxable year by a publicly-held company to its chief executive officer or any of its three other most highly compensated executive officers (other than its principal financial officer). However, compensation based solely on the attainment of performance goals is excluded from this deduction limitation if the following criteria are satisfied: (i) the performance goals are objective, pre-established and determined by a compensation committee of the board of directors, which compensation committee is comprised solely of two or more outside directors; (ii) the material terms of the performance goals under which the compensation is to be paid are disclosed to the stockholders and approved by a majority stockholder vote; and (iii) the compensation committee certifies that the performance goals and other material terms were in fact satisfied before the compensation is paid.

The Board of Directors believes that the adoption of the Incentive Plan is in the best interests of the Company and its stockholders, and, as part of our compensation program, is designed to enhance stockholder value by (i) aligning the interests of our management team with those of our stockholders, and (ii) retaining management. Each of the compensation programs, including the Incentive Plan, that the Company has developed and implemented satisfies one or more of the following specific objectives:

- motivate and focus the Company's management team through incentive compensation programs directly tied to the Company's financial results;
- enhance our ability to attract and retain skilled and experienced executive officers; and
- provide rewards commensurate with performance and with competitive market practices.

The stockholders are being asked to approve the Incentive Plan so that certain awards granted under the plan may qualify as performance-based compensation under Section 162(m). Stockholder approval of the Incentive Plan will enable the Company to be in a position to continue to grant annual cash incentive awards while preserving the tax deductibility of these awards.

Summary of the Material Terms of the Incentive Plan

The following is a description of the material features of the Incentive Plan. It does not purport to be complete and is qualified in its entirety by the full text of the Incentive Plan, which is attached hereto as Appendix A. The Incentive Plan is not intended to be (and will not be construed and administered as) an employee benefit plan within the meaning of the Employee Retirement Income Security Act of 1974, as amended.

Administration

At the discretion of the Board of Directors, the Plan may be administered by the Board of Directors or by the Compensation Committee. However, to the extent that awards granted under the Incentive Plan under are intended to satisfy the requirements of Section 162(m), the Incentive Plan will be administered by the Compensation Committee and consist of not fewer than two members who are "outside directors" within the meaning of Section 162(m). It is currently contemplated that the Incentive Plan will be administered by the Compensation Committee.

The Compensation Committee has the authority, in its sole discretion, subject to and not inconsistent with the express provisions of the Incentive Plan, to administer the Incentive Plan and to exercise all the powers and authorities either specifically granted under the Incentive Plan or necessary or advisable in the administration of the Incentive Plan, including, without limitation, the authority to grant awards, to determine the persons to whom and the time or times at which awards will be granted, to determine the terms, conditions, restrictions and performance criteria (including applicable performance goals) relating to any award, to determine whether, to what extent and under what circumstances an award may be settled, cancelled, forfeited or surrendered, to construe and interpret the Incentive Plan and any award, to prescribe, amend and rescind rules and regulations relating to the Incentive Plan, and to make all other determinations deemed necessary or advisable for the administration of the Incentive Plan. All decisions made by the Compensation Committee will be final and binding on the Company and Incentive Plan participants.

Eligibility

Awards under the Incentive Plan may be granted to those employees of the Company and its subsidiaries who are selected by the Compensation Committee, taking into account such factors as the Compensation Committee deems relevant in connection with accomplishing the purposes of the Incentive Plan. Currently, only three employees are eligible for participation in the Incentive Plan.

Performance Period

The length of any performance period under the Incentive Plan will be no longer than 12 months, unless otherwise determined by the Compensation Committee.

Performance Goals

The payment of awards under the Incentive Plan that are intended to comply with Section 162(m) of the Code will be based upon the attainment of one or more of the following performance goals (collectively, the "Performance Goals"):

- return on assets, return on tangible assets, cash return on assets, cash return on tangible assets;
- return on equity, return on tangible equity, cash return on equity, cash return on tangible equity;
- levels of or changes in levels of net interest income, net interest margin, efficiency ratio, cash efficiency ratio, provision, provision rate, net charge-off, net charge-off ratio, fee income, total revenue, pre-tax income, net income;
- levels of or trends in specified financial statement line items or components thereof (may include, but is not limited to, cost of deposits, growth of deposits, cost of funds, loan growth, loan yields, interest earning asset yields);
- levels of or trends in non-performing assets;
- earnings per share (basic or diluted), core earnings per share and/or growth thereof;
- book value per share, tangible book value per share and/or growth thereof;
- absolute and/or relative metrics of stock performance, dividends, and/or total capital returned to shareholders;
- achieving or maintaining specified levels of GAAP and/or regulatory capital;
- strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, regulatory matters, information

technology, and goals relating to acquisitions, divestitures, joint ventures and/or similar transactions, and/or budget comparisons;

- personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, the development of long term business goals, formation of joint ventures, and/or the completion of other corporate transactions; and
- any combination of, or a specified increase in, any of the foregoing, and any of the foregoing goals may be measured at enterprise level or at business line or geographic level.

Terms Related to the Performance Goals

- Performance goals not specified in the Plan may be used to the extent that an award is not intended to comply with Section 162(m).
- Where applicable, the Performance Goals may be expressed in terms of attaining a specified level of the particular criteria or the attainment of a percentage increase or decrease in the particular criteria, and may be applied to one or more of the Company or affiliate thereof, or a division or strategic business unit of the Company, or may be applied to the performance of the Company relative to a market index, a group of other companies or a combination thereof, all as determined by the Compensation Committee.
- The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur).
- Each of the Performance Goals will be determined in accordance with generally accepted accounting principles and the Compensation Committee will have the authority to make equitable adjustments to the Performance Goals in recognition of unusual or non-recurring events affecting the Company or any affiliate thereof or the financial statements of the Company or any affiliate thereof, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles, provided that the Compensation Committee's ability to make equitable adjustments to the Performance Goals applicable to any award intended to qualify as performance-based compensation under Section 162(m) will be governed by Section 162(m) restrictions.

Terms of Awards

The Compensation Committee will specify the Performance Goals applicable to each award under the Incentive Plan generally no later than 90 days following the commencement of the applicable performance period. At such time, the Compensation Committee will also, if applicable, specify the threshold, target and maximum levels of performance applicable to the Performance Goals. Awards under the Incentive Plan with respect to any performance period may be expressed as a dollar amount or as a percentage of the participant's base salary as of the date on which the applicable Performance Goals are established by the Compensation Committee.

No later than 45 days following the end of a performance period, the Compensation Committee will determine and certify in writing whether, and to what extent, the applicable Performance Goals have been satisfied for an applicable performance period. The Compensation Committee may, in its sole discretion, reduce an amount of an award otherwise determined pursuant to the Incentive Plan. All bonus payments under the Incentive Plan will be made in cash no later than 60 days following the

last day of the related performance period and generally no later than the 15th day of the third month following the end of the Company's fiscal year in which the relevant performance period ended. The Compensation Committee has the authority to establish a deferred compensation program for participants to defer receipt of their Awards.

No employee of the Company or any of its subsidiaries may have any claim to be granted an award under the Incentive Plan. There is no obligation for uniformity of treatment among participants under the Incentive Plan. The Incentive Plan does not constitute a contract of employment or confer upon any participant the right to continued employment by the Company. A participant's only interest under the Incentive Plan will be the right to receive a payment of cash pursuant to the terms of the applicable award and the Incentive Plan. The Incentive Plan is intended to constitute an "unfunded" plan for incentive compensation, and no participant will have any rights that are greater than those of a general creditor of the Company with respect to any payments not yet made pursuant to an award granted under the Incentive Plan.

Covered Awards

A "Covered Award" is an award (i) that will be paid to a "covered employee" within the meaning of Section 162(m)(3), (ii) that the Compensation Committee expressly designates as performance-based compensation and intends to be fully deductible under Section 162(m), and (iii) that will be paid following the shareholder approval required by Section 162(m)(4)(C)(ii). Notwithstanding any provision to the contrary, the following provisions will control with respect to any Covered Award:

- Pre-Established Incentive Opportunity and Performance Goals. The Performance Goals upon which a Covered Award is based or subject will be established by the Compensation Committee in writing not later than 90 days after the commencement of the performance period, provided that the outcome is substantially uncertain at the time the Compensation Committee actually establishes such factors and the objectives upon which they are based (or at such earlier time as may be required or such later time as may be permissible under Section 162(m)). The Compensation Committee will not make Covered Awards based on Performance Goals not specifically provided under the Incentive Plan if it determines that use of such Performance Goals would cause a Covered Award to not be deductible under Section 162(m).
- Certification of Performance Goals. Prior to the payment of a Covered Award, the Compensation Committee will determine and certify in writing whether and to what extent the Performance Goals referred to in the Incentive Plan have been satisfied for an applicable performance period.
- Discretionary Reduction of Covered Award. Notwithstanding anything in the Incentive Plan to the contrary, the Compensation Committee may, in its sole discretion, reduce a Covered Award otherwise determined pursuant to the Incentive Plan.
- Limited Adjustments of Selected Performance Goals. Upon the occurrence of certain specified events, the Compensation Committee may, without the consent of any affected participant, amend or modify the terms of any outstanding Covered Award that includes any Performance Goals based in whole or in part on the financial performance of the Company or such other entity so as to equitably reflect such events, such that the criteria for evaluating such financial performance of the Company or such other entity (and the achievement of the corresponding Performance Goals) will be substantially the same (as determined by the Compensation Committee or such committee of the board of directors of the surviving corporation) following such event as prior to such event. The Compensation Committee will not take any action with respect to a Covered Award that would constitute an impermissible exercise of discretion within the meaning of Section 162(m), or would otherwise cause the Covered Award to not be deductible under Section 162(m).

- **Maximum Amount.** The maximum amount of any Covered Award to any "covered employee" within the meaning of Section 162(m)(3) with respect to a performance period, determined as of the time the Covered Award is paid, will not exceed \$5,000,000.

To the extent any provision of the Incentive Plan or an award or any action of the Compensation Committee or the Company as it relates to an award intended to qualify as performance-based compensation under Section 162(m) results in the application of Section 162(m)(1) to such award, such provision or action will be deemed null and void to the extent permitted by law and deemed advisable by the Compensation Committee.

Change in Control

In the event of a change in control, with respect to the performance period then in effect, each participant under the Incentive Plan will be paid, upon such change in control, an amount in cash equal to such participant's award with respect to the performance period assuming that the greater of (x) target levels of performance for the entire performance period or (y) actual levels of performance through the end of the calendar month immediately preceding the calendar month in which the change in control occurs, on an annualized basis, had been met, prorated based on the number of days elapsed in such performance period as of the date on which the change in control occurs. Additionally, any award payable in accordance with the terms of the Incentive Plan in respect of a completed performance period, but unpaid, will be paid to the participant upon such change in control.

For purposes of the Incentive Plan, a "change in control" generally means the first to occur of any of the following:

- any person is or becomes the Beneficial Owner (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of securities of the Company (not including the securities beneficially owned by such person or any securities acquired directly from the Company or any affiliate thereof) representing 50% or more of the combined voting power of the Company's then outstanding securities;
- the following individuals cease for any reason to constitute a majority of the number of directors then serving on the Board of Directors: individuals who, on the date hereof, constitute the Board of Directors and any new director whose appointment or election by the Board of Directors or nomination for election by the Company's stockholders was approved or recommended by a vote of at least two-thirds of the directors then still in office who either were directors on the date hereof or whose appointment, election or nomination for election was previously so approved or recommended;
- there is consummated a merger, amalgamation or consolidation of the Company or any subsidiary thereof with any other corporation, other than (A) a merger, amalgamation or consolidation which results in the voting securities of the Company outstanding immediately prior to such merger, amalgamation or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) at least 50% of the combined voting power of the securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger, amalgamation or consolidation or (B) a merger, amalgamation or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (not including in the securities Beneficially Owned by such person any securities acquired directly from the Company or its Affiliates) representing 50% or more of the combined voting power of the Company's then outstanding securities; or

- the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or there is consummated an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets, other than (A) a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company following the completion of such transaction in substantially the same proportions as their ownership of the Company immediately prior to such sale or (B) a sale or disposition of all or substantially all of the Company's assets immediately following which the individuals who comprise the Board of Directors immediately prior thereto constitute at least a majority of the board of directors of the entity to which such assets are sold or disposed or, if such entity is a subsidiary, the ultimate parent thereof.

Termination of Employment

In the event that a participant's employment terminates prior to the end of a performance period for any reason, no amount will be payable to such participant under the Incentive Plan with respect to that performance period. However, at the time of termination, the participant will be entitled to receive an award in respect of a completed performance period for which an award has been determined to be payable in accordance with the terms of the Incentive Plan (or, to the extent payment of an award has been deferred pursuant to an arrangement established for such purposes, the award will be paid in full at the earliest such time as permissible under such arrangement).

Awards Not Transferable

A participant's rights and interests in and to payment of any award under the Incentive Plan may not be assigned, transferred, encumbered or pledged other than by will or the laws of descent and distribution; and are not subject to attachment, garnishment, execution or other creditor's processes.

Amendment and Termination of the Incentive Plan

The Incentive Plan may be amended, modified or terminated at any time by the Compensation Committee. Such amendment, modification, or termination of the Incentive Plan will not require the consent, ratification, or approval of any party, including any participant. The Compensation Committee may amend the performance goals as well as any award (including increasing, decreasing or eliminating any or all awards) prior to the payment thereof to the extent it deems appropriate for any reason, including compliance with applicable securities laws. Notwithstanding the foregoing, to the extent the Compensation Committee expressly designates such award as performance-based compensation under Section 162(m), the Compensation Committee will not have any authority to amend or modify the terms of such award in any manner that would impair its deductibility under Section 162(m).

Federal Income Tax Consequences

Generally, a participant will recognize ordinary income equal to the amount of the award received under the Incentive Plan in the year of receipt. That income will be subject to applicable income and employment tax withholding by the Company. If and to the extent that the Incentive Plan payments satisfy the requirements of Section 162(m) and otherwise satisfy the requirements for deductibility under federal income tax law, the Company may deduct the amounts paid to participants under the Incentive Plan.

In August 2012, the Compensation Committee approved the participants and performance goals under the Incentive Plan for the performance period of July 1, 2012 through June 30, 2013, subject to

CERTAIN RELATED PARTY RELATIONSHIPS

Review and Approval of Transactions with Related Persons

Transactions by us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve's Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal stockholders). We have adopted policies to comply with these regulatory requirements and restrictions. In addition, certain of our investors entered into Rebuttal of Control Agreements with the Office of Thrift Supervision (the "OTS") in connection with their initial investments in us. On July 21, 2011, the OTS became part of the Office of the Comptroller of the Currency (the "OCC"). Pursuant to 12 USC § 5414, the Rebuttal of Control Agreements will continue in effect according to their terms and are enforceable by the OCC. The Rebuttal of Control Agreements limit the ability of these investors to conduct transactions with us or our affiliates. We have adopted a policy to assist these investors in complying with this aspect of their respective Rebuttal of Control Agreements.

Our Board of Directors has also adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and the NYSE concerning related party transactions. Related party transactions are transactions in which our Company is a participant, the amount involved exceeds \$120,000 and a related party has or will have a direct or indirect material interest. Related parties of our Company include directors (including nominees for election as directors), executive officers, greater than 5% stockholders of our Company and the immediate family members of these persons. The General Counsel, in consultation with management and outside counsel, as appropriate, will review potential related party transactions to determine if they are subject to our Related Party Transactions Policy. If so, the transaction will be referred for approval or ratification to the Nominating and Corporate Governance Committee. In determining whether to approve a related party transaction, the Nominating and Corporate Governance Committee will consider, among other factors, the fairness of the proposed transaction; the direct or indirect nature of the director's, executive officer's or related party's interest in the transaction; the appearance of an improper conflict of interests for any director or executive officer of the Company, taking into account the size of the transaction and the financial position of the director, executive officer or related party; whether the transaction would impair an outside director's independence; the acceptability of the transaction to the Company's regulators; and the potential violations of other Company policies. Our Related Party Transactions Policy is available on our website at <http://ir.bankunited.com>, as Annex B to our Corporate Governance Guidelines.

Blackstone Exchange Agreement and Secondary Offering

Blackstone Exchange Agreement

On February 29, 2012, BankUnited, Inc. entered into an exchange agreement (the "Exchange Agreement") with funds affiliated with The Blackstone Group (collectively, the "Blackstone Funds") pursuant to which the Blackstone Funds exchanged (the "Blackstone Exchange") 5,415,794 shares of common stock, par value \$0.01 per share, of the Company held by the Blackstone Funds for 5,415,794 shares of a newly created series of preferred stock, par value \$0.01 per share, of the Company designated "Series A Nonvoting Convertible Preferred Stock" (the "Series A Preferred Stock"). Other than the Blackstone Funds, no stockholder of the Company was issued shares of Series A Preferred Stock.

Secondary Offering

In March 2013, certain stockholders of the Company, including the Blackstone Funds, sold 22,540,000 shares of common stock in a registered secondary offering (the "Secondary Offering"). As a

result of the Secondary Offering, and in accordance with the terms of the Series A Preferred Stock, all shares of Series A Preferred Stock held by the Blackstone Funds were automatically converted into an equal number of shares of common stock. All of the shares of common stock into which the Series A Preferred Stock were automatically converted were sold in the Secondary Offering. As of April 18, 2013, the Blackstone Funds collectively hold approximately 8.2% of the Company's outstanding common stock, and there are no shares of Series A Preferred Stock outstanding.

Registration Rights Agreement

In connection with our IPO, BankUnited, Inc., the Sponsors, LF Moby LLC (which is beneficially owned by Mr. LeFrak and his sons), Mr. DeMark, Ambassador Cobb, Mr. Kanas, Mr. Bohlsen, Mr. Pauls, Mr. Singh and certain former members of BU Financial Holdings LLC (our parent Company prior to the initial public offering) entered into a registration rights agreement, dated February 2, 2011 (the "Registration Rights Agreement"). In connection with the Blackstone Exchange, on February 29, 2012, the Company and certain of the stockholders party thereto entered into an amendment to the Registration Rights Agreement in order to provide the Blackstone Funds with substantially the same rights under the Registration Rights Agreement, as amended, with respect to the Series A Preferred Stock as the Blackstone Funds then had with respect to the common stock (other than the right to list the common stock on a U.S. securities exchange).

Pursuant to the Registration Rights Agreement, Blackstone, Carlyle, Centerbridge and WL Ross have demand registration rights. The registration rights provisions require us to register the shares of common stock beneficially owned by the demanding Sponsor with the SEC for sale by it to the public, provided that the value of the registrable securities proposed to be sold by such demanding Sponsor is at least the lesser of \$50.0 million or the value of all registrable securities held by such Sponsor. The registration rights provisions also provide that we may be required under certain circumstances to file a shelf registration statement for an offering to be made on a continuous basis pursuant to Rule 415 of the Securities Act. We may postpone the filing of such a registration statement or suspend the effectiveness of any registration statement for a reasonable "blackout period" not in excess of 90 days if our Board determines that such registration or offering could materially interfere with a bona fide business or financing transaction of the Company or is reasonably likely to require premature disclosure of material, non-public information, the premature disclosure of which the Board reasonably determines in the exercise of its good faith judgment would not be in the best interests of the Company; provided that we shall not postpone the filing of a registration statement or suspend the effectiveness of any registration statement for more than 90 days in the aggregate in any 360-day period.

In addition, pursuant to the registration rights provisions, in the event that we are registering additional shares of common stock for sale to the public, whether on our own behalf (except in connection with a registration on Form S-4 or Form S-8 or any successor or similar form or in a registration of securities solely relating to an offering and sale to employees pursuant to any employee stock plan or other employee benefit plan arrangement) or through a demand registration on behalf of a Sponsor (as described above), we are required to give notice of such registration to all parties to the Registration Rights Agreement that hold registrable securities (which includes members of our management that hold shares of our common stock) of the intention to effect such a registration. Such notified persons have piggyback registration rights providing them the right to have us include the shares of common stock owned by them in any such registration if we have received written requests for inclusion therein within prescribed time limits, subject to other provisions under the Registration Rights Agreement.

Director Nomination Agreement

In January 2011, we entered into the Director Nomination Agreement with John A. Kanas and certain funds affiliated with our Sponsors. The Director Nomination Agreement provides for the rights of our Sponsors and Mr. Kanas to nominate individuals to our Board of Directors. Pursuant to the agreement, the Sponsors and Mr. Kanas have the right to nominate individuals to our Board of Directors at each meeting of stockholders where directors are to be elected and, subject to limited exceptions, we will include in the slate of nominees recommended to our stockholders for election as directors the number of individuals designated by the Sponsors and Mr. Kanas as follows:

- so long as Blackstone owns more than 40% of the common stock owned by Blackstone immediately prior to the consummation of the IPO, one individual nominated by Blackstone;
- so long as Carlyle owns more than 40% of the common stock owned by Carlyle immediately prior to the consummation of the IPO, one individual nominated by Carlyle;
- so long as WL Ross owns more than 40% of the common stock owned by WL Ross immediately prior to the consummation of the IPO, one individual nominated by WL Ross;
- so long as Centerbridge owns more than 40% of the common stock owned by Centerbridge immediately prior to the consummation of the IPO, one individual nominated by Centerbridge; and
- so long as Mr. Kanas is our CEO, two individuals (one of which will be Mr. Kanas) nominated by Mr. Kanas.

In addition, each of Blackstone, Carlyle, WL Ross and Centerbridge has the right to appoint one non-voting observer to attend all meetings of our Board until such time as such Sponsor ceases to own 5% of our outstanding common stock.

In connection with the Blackstone Exchange, on February 29, 2012, the Company and the shareholders party thereto amended and restated the Director Nomination Agreement in order to provide for the recognition of the Series A Preferred Stock held by the Blackstone Funds with respect to certain ownership thresholds for the existence of the rights provided by such agreement. As discussed under "Blackstone Exchange Agreement and Secondary Offering," there are no longer any shares of Series A Preferred Stock outstanding.

**REQUIREMENTS, INCLUDING DEADLINES, FOR SUBMISSION OF PROXY PROPOSALS,
NOMINATION OF DIRECTORS AND OTHER BUSINESS OF STOCKHOLDERS**

In order to submit stockholder proposals for the 2014 annual meeting of stockholders for inclusion in the Company's Proxy Statement pursuant to SEC Rule 14a-8, materials must be received by the Corporate Secretary at the Company's principal office in Miami Lakes, Florida, no later than December 26, 2013.

The proposals must comply with all of the requirements of SEC Rule 14a-8. Proposals should be addressed to: Corporate Secretary, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016. As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion.

The Company's Amended and Restated By-Laws also establish an advance notice procedure with regard to director nominations and stockholder proposals that are not submitted for inclusion in the Proxy Statement, but that a stockholder instead wishes to present directly at an annual meeting. To be properly brought before the 2014 annual meeting of stockholders, a notice of the nomination or the matter the stockholder wishes to present at the meeting must be delivered to the Corporate Secretary at the Company's principal office in Miami Lakes, Florida (see above), not less than 90 or more than 120 days prior to the first anniversary of the date of this year's Annual Meeting. As a result, any notice given by or on behalf of a stockholder pursuant to these provisions of the Company's Amended and Restated By-Laws (and not pursuant to Exchange Act Rule 14a-8) must be received no earlier than January 23, 2014, and no later than February 22, 2014. All director nominations and stockholder proposals must comply with the requirements of the Company's By-Laws, a copy of which may be obtained at no cost from the Corporate Secretary of the Company.

Other than the three proposals described in this Proxy Statement, the Company does not expect any matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders on the proxy card will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any unforeseen reason, any one or more of the Company's nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

The chairman of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made in compliance with the foregoing procedures.

4. Eligibility.

Awards may be granted to employees of the Company and its Subsidiaries. In determining the persons to whom Awards shall be granted and the Performance Goals relating to each Award, the Committee shall take into account such factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

5. Terms of Awards.

(a) *Determination of Performance Goals; Notification.* With respect to each Performance Period, the Committee shall specify the Performance Goals applicable to each Award no later than 90 days following the commencement of such Performance Period. At such time the Committee shall also, if applicable, specify the threshold, target and maximum levels of performance applicable to the Performance Goals. Performance Goals need not be the same for each Participant. Awards for any Performance Period may be expressed as a dollar amount or as a percentage of the Participant's Base

Salary. Participants shall be notified of their Awards with respect to each Performance Period. Such notification shall include the Performance Goals with respect to the Award, the weight to be given to each such Performance Goal and, if applicable, the threshold, target and maximum levels of performance applicable to such Performance Goals.

(b) *Determination of Achievement of Performance Goals.* Following the end of the Performance Period and prior to the payment of an amount under any Award, and in any event not later than 45 days following the end of such Performance Period, the Committee shall determine whether, and to what extent, the applicable Performance Goals have been satisfied. Notwithstanding the foregoing and the terms of Section 2(n), the Committee may, in its sole discretion, reduce an amount of an Award otherwise determined pursuant to the Plan.

(c) *Time and Form of Payment.* All payments in respect of Awards granted under the Plan shall be made in cash no later than 60 days following the last day of the Performance Period to which an Award relates. Notwithstanding the foregoing, payment of Awards intended to comply with the "short-term deferral" exemption from Section 409A of the Code shall be made no later than the 15th day of the third month following the later to occur of (i) the end of the Company's fiscal year in which the relevant Performance Period ended and (ii) the end of the calendar year in which such Performance Period ended.

(d) *Deferral of Payment.* The Committee shall have the authority to establish such procedures and programs that it deems appropriate to provide Participants with the ability to defer receipt of cash under Awards. If such a deferral procedure or program is adopted, the terms of such procedure or program shall be set forth in writing prior to its adoption and shall comply with Section 409A of the Code.

6. Change in Control.

In the event of a Change in Control, (i) any Award payable in accordance with Section 5(b) in respect of a completed Performance Period, but unpaid, shall be paid to the Participant upon such Change in Control and (ii) each Participant with respect to each Performance Period then in effect shall be paid, upon such Change in Control, an amount in cash equal to (A) such Participant's Award with respect to the entire Performance Period, assuming that the greater of (x) target levels of performance for the entire Performance Period or (y) actual levels of performance through the end of the calendar month immediately preceding the calendar month in which the Change in Control occurs and annualized for purposes of this calculation, had been met, multiplied by (B) a fraction, (x) the numerator of which is the number of days elapsed in such Performance Period as of the date on which the Change in Control occurs and (y) the denominator of which is the total number of days in such Performance Period.

7. Termination of Employment.

In the event that a Participant's employment with the Company and its Subsidiaries is terminated during a Performance Period, such Participant shall not be entitled to any portion of such Participant's Award with respect to such Performance Period. Any Award payable in accordance with Section 5(b) in respect of a completed Performance Period, but unpaid, shall be paid to such Participant in accordance with Section 5(c) or, to the extent payment of the Award has been deferred pursuant to Section 5(d), the Award shall be paid in full at the earliest such time as is provided under such deferral arrangement.

8. Special Rules for Covered Awards.

Notwithstanding any other provision of this Plan to the contrary, the following provisions shall control with respect to any Covered Award:

(a) *Pre-established Incentive Opportunity and Performance Goals.* The Performance Goals upon which a Covered Award is based or subject shall be established by the Committee in writing not later than 90 days after the commencement of the Performance Period, provided that the outcome is substantially uncertain at the time the Committee actually establishes such factors and the objectives upon which they are based (or at such earlier time as may be required or such later time as may be permissible under Section 162(m) of the Code). The Committee shall not make Covered Awards based on Performance Goals not specifically provided under this Plan if it determines that use of such Performance Goals would cause a Covered Award to not be deductible under Section 162(m) of the Code.

(b) *Certification of Performance Goals.* Prior to the payment of a Covered Award, the Committee shall determine and certify in writing whether and to what extent the Performance Goals referred to in Section 8(a) have been satisfied for an applicable Performance Period.

(c) *Discretionary Reduction of Covered Award.* Notwithstanding anything in this Plan to the contrary, the Committee may, in its sole discretion, reduce a Covered Award otherwise determined pursuant to the Plan.

(d) *Limited Adjustments of Selected Performance Goals.* In the event of (i) any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, extraordinary dividend or divestiture (including a spin-off) or any other change in corporate structure or shares; (ii) any purchase, acquisition, sale, disposition or write-down of a significant amount of assets or a significant business; (iii) any change in accounting principles or practices, tax laws or other such laws or provisions affecting reported results; (iv) any uninsured catastrophic losses or extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 or in management's discussion and analysis of financial performance appearing in the Company's annual report to stockholders for the applicable year; or (v) any other similar change, in each case with respect to the Company or any other entity whose performance is relevant to the achievement of any Performance Goal included in a Covered Award, the Committee (or, if the Company is not the surviving corporation in any such transaction, a committee of the board of directors of the surviving corporation consisting solely of two or more "outside directors" within the meaning of Section 162(m)(4)(C)(i) of the Code) may, without the consent of any affected Participant, amend or modify the terms of any outstanding Covered Award that includes any Performance Goals based in whole or in part on the financial performance of the Company (or any Subsidiary or division thereof) or such other entity so as equitably to reflect such event, such that the criteria for evaluating such financial performance of the Company or such other entity (and the achievement of the corresponding Performance Goals) shall be substantially the same (as determined by the Committee or such committee of the board of directors of the surviving corporation) following such event as prior to such event; provided, however, that any such change to any outstanding Covered Award pursuant to this Section 8(d) must be made in such a manner that it is independently determinable by a hypothetical third party having knowledge of the relevant facts, and the Committee shall take no action pursuant to this Section 8(d) that would constitute an impermissible exercise of discretion within the meaning of Section 162(m) of the Code, or would otherwise cause the Covered Award to not be deductible under Section 162(m) of the Code.

(e) *Maximum Amount.* The maximum amount of any Covered Award to any Covered Employee with respect to a Performance Period, determined as of the time the Covered Award is paid, shall not exceed \$5,000,000.

9. General Provisions.

(a) *Compliance With Legal Requirements.* The Plan and the granting and payment of Awards, and the other obligations of the Company under the Plan and any Award, shall be subject to all applicable Federal and state laws, rules and regulations (including 12 C.F.R. part 359) and to required approvals by any regulatory or governmental agency.

(b) *Nontransferability.* A Participant's rights and interests in and to payment of any Award under the Plan may not be assigned, transferred, encumbered or pledged other than by will or the laws of descent and distribution; and are not subject to attachment, garnishment, execution or other creditor's processes.

(c) *Participant Rights.* No employee of the Company or any Subsidiary or any other person shall have any claim to be granted any Award under the Plan. There is no obligation for uniformity of treatment among Participants. Nothing in the Plan or in any Award granted pursuant hereto shall constitute a contract of employment or confer upon any Participant the right to continue in the employ of the Company in any position or at any level of compensation, to be entitled to any remuneration or benefits not set forth in the Plan or under such Award, or to interfere with or limit in any way the right of the Company to terminate such Participant's employment. The granting of one Award to an eligible employee shall not entitle such individual to any additional grants of Awards thereafter.

(d) *Withholding Taxes.* The Company or its Subsidiary shall have the right to withhold the amount of any taxes that the Company or such subsidiary may be required to withhold before delivery of payment of an Award to the Participant or other person entitled to such payment, or to make such other arrangements for the withholding of taxes that the Company deems satisfactory.

(e) *Compliance with Section 162(m) of the Code.* To the extent any provision of the Plan or an Award or any action of the Committee or the Company as it relates to a Covered Award may result in the application of Section 162(m)(1) of the Code to compensation payable to a Covered Employee, such provision or action shall be deemed null and void to the extent permitted by law and deemed advisable to the Committee.

(f) *Section 409A.* The Plan is intended to comply with the requirements of Section 409A of the Code, or an exception or exemption therefrom, and accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered in accordance with such intention. Any payments described in the Plan that are due within the "short-term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. All payments to be made upon a termination of employment under this Agreement shall, to the extent required to avoid an accelerated or additional tax under Section 409A of the Code, be made only upon a "separation from service" within the meaning under Section 409A of the Code. In addition, to the extent required in order to avoid an accelerated or additional tax under Section 409A of the Code, amounts that would otherwise be payable pursuant to this Agreement during the six-month period immediately following Executive's separation from service shall instead be paid on the first business day after the date that is six months following Executive's separation from service (or, if earlier, Executive's death).

(g) *Amendment and Termination of the Plan.* The Plan may at any time be amended, modified, or terminated, as the Committee in its discretion determines. Such amendment, modification, or termination of the Plan shall not require the consent, ratification, or approval of any party, including any Participant. The Committee may amend the Performance Goals as well as any Award (including increasing, decreasing or eliminating any or all Awards) prior to the payment thereof to the extent it deems appropriate for any reason, including compliance with applicable securities laws. Notwithstanding the foregoing, to the extent the Committee has expressly designated an Award as a Covered Award, the

Committee shall not have any authority to amend or modify the terms of any Covered Award in any manner that would impair its deductibility under Section 162(m) of the Code.

(h) *Unfunded Status of Awards.* A Participant's only interest under the Plan shall be the right to receive a payment of cash pursuant to the terms of an applicable Award and the Plan. The Plan is intended to constitute an "unfunded" plan for incentive compensation, and no portion of the amount payable to a Participant under this Plan shall be held by the Company or any Subsidiary in trust or escrow or any other form of asset segregation. With respect to any payments not yet made to a Participant pursuant to an Award, to the extent that a Participant acquires a right to receive a payment of cash under the Plan, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company, and no trust in favor of any Participant shall be implied.

(i) *Governing Law.* The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of New York without giving effect to the conflict of laws principles thereof.

(j) *Effective Date.* The Plan shall take effect as of the date of its approval by the shareholders of the company.
